ELECTORATE FRANCHISE IS THREATENED SSF VOTERS TO ANNEX 'ORPHAN' CALLAN PARK CHARTER CHANGES AIM AT APPOINTIVE OFFICES

The South San Francisco City Council has taken the first step towards annexing the controversial Callan Park development.

Following a hearing which lasted nearly two hours the council voted to create a resolution asking for the annexation of the Park, an area which will increase the city's size by approximately one eighth and considerably up its population.

According to city officials, this will represent the largest annexation in the history of South San Francisco.

Previous opposition to the annexation appeared to be mostly abated by the recent agreement on the part of the

Callan Brothers to abide by the present city ordinances and refrain from attempting to introduce under-size (smaller than 50 feet) lots with common greens.

The only heated moments of the hearing erupted among council members when there was question as to one of the councilmen's private interest in the Park. Councilman Guido Rozzi, who is employed by a real estate firm which has an investment in the Park, abstained from voting on the resolution.

It was agreed that although he had only recently joined the firm, the questionable connection would probably be used

against the city in a smear campaign when it came to later development proposals.

A statistical report revealed that the annexation will bring 18,000 more persons into the city's population of 40,000. The present assessed valuation of \$73 million will be increased by \$30 million.

If a second vote on the resolution is favorable, the annexation will become official within 30 days of that date.

BOY INJURED WHEN BRAKES FAIL ON HILL

A Daly City youngster was injured slightly Friday afternoon when his bicycle collided with a car driven by Wai Wong, 54, of 343 N. Delaware, San Mateo, an employee of the Daly City engineering department.

The rider of the bicycle was Mark J. Olivier, 12, of 191 Action street.

The accident occurred at the intersection of Lowell and Bellevue avenues at approximately 3:15 p.m., according to Officer R. L. de Losa of the Daly City Police Department.

Wong, in his statement to the police, said that he was going southbound on Bellevue when the boy came down the hill and struck his car broadside. He said he stopped the car and watched the child get up, dust himself off, then start to ride off on his apparently undamaged bike.

Wong said he stopped the boy and made him sit down on the curb while he checked him over for any injury. He said the boy kept repeating that he was all right as he walked around a bit, then rode off on his bike. He was reluctant to give his name and address, Wong said. The latter reported the accident to the police at once.

Later, when the boy was questioned he said he had seen the car coming and had put on his brakes but that they did not work. He said he had tried to turn left to avoid hitting the car but struck it anyway on what he described as the left front side of the bumper.

The boy was taken to Junipero Serra Hospital and later transferred to Kaiser Hospital in South San Francisco for treatment of a possible fracture of the right elbow and a bump on his head.

PG&E Granted Gas-Rate Jump For All Areas

Pacific Gas and Electric Co. has been granted a gas-rate increase which will cost the general residential customer approximately 34 cents a month, it was revealed this week by the State Public Utilities Commission.

The company had requested a \$14,004,000 increase. However, it was granted only \$4,819,000 which will become official on April 10.

The annual return on the company's investment is expected to be 6.25 per cent. The company had been seeking 6.8 per cent.

Because of its status as a Zone One area Daly City will definitely experience the increase. Authorization for rezoning in certain heavily populated portions of the greater Bay Area may have some effect on the general increase in the future, officials for the company said.

Officer Sheehy Is St. Pat's Day Hero In Race With Stork

Sure now, if Officer Dennis Sheehy of the Daly City Police Department wasn't the very apple of St. Paddy's eye (this Friday last, then there's no just reward this side of Erin's Isle.

For it was Officer Sheehy, mind you, who seen his duty and done it proud, he did.

And because of it, Mrs. Dorothy M. Poetzl of 1076 Wildwood was able to have her girl child in the dayency of the hospital instead of her own front room.

Seems now that Mrs. Poetzl, recognizing that her wee one was a mite impatient and that the ambulance she'd called was nowhere to be seen, gave a frantic call to police headquarters.

In a trice Officer Sheehy was on the spot to take command. Bein' a man of action and knowin' full well that there are few ways to thwart the will of nature, he ups and pops Mr. and Mrs. Poetzl in his squad car and off the three—oops, four of them speed to Junipero Serra Hospital where the good doctors and nurses there took everything under their wain' wing.

In less time than you can spell Kilarney backwards, with a 3½ pound "coleen" as safe and sound as you can be with the mother doin' just fine.

As for Officer Sheehy, indeed, it was his best St. Patrick's Day ever and it bein' then only 6:30 in the blessed mornin'.

BRILLHART IS '61-'62 PREXY OF DC ROTARY

Lee Brillhart, PG&E district manager, was unanimously elected Wednesday to fill the 1961-62 presidency of the Daly City Rotary Club.

Brillhart, a long time, active participant in Daly City Rotary affairs, will succeed Dr. Louis Minkin, Westlake optometrist.

Other officers named at Wednesday's weekly meeting at the Westlake Bowl were: Lynn Hodges, Baptist minister, vice president; Vin Stratton, Jefferson elementary school district executive, secretary; and Robert Burns, appliance service specialist, treasurer. Elected to the two directorships for the coming Rotary year were Ed King, Bank of America manager in Westlake, and Irv Scott, proprietor of the Lass & Laddie children's clothing store in Westlake.

Program for next Wednesday, March 29, will be presented by Julian Cohn.

He will introduce as his speaker Henry Bostwick Jr., vice president and general manager of the San Mateo County Development Association, Inc. Bostwick's topic will be, "You (Continued on Page 2)

Flash Squall Causes Power Failure In DC

A flash squall which uprooted a tree opposite the Rod and Gun Club near Lake Merced caused a temporary power failure in portions of Daly City late last Thursday evening.

The power failure, which affected the area of Knowles avenue to Westlake avenue and Junipero Serra to Miriam street was first reported to the Daly City Police department at 10:18 p.m. Thursday by an unknown person.

An official of the Pacific Gas and Electric Co. said that an unrooted tree had fallen over a feeder line, causing it to short out. He said repairmen cut the tree free and restored service by 11:12 p.m.

At about the same time sewers on St. Francis and Southgate were reported not draining, which caused a small flood in the general area.

Sharp Increase Asked For New County Budget

An additional \$8,432,183 for county government operation in 1961-62 has been asked for by County department heads, it was revealed this week.

Controller Ira A. Boynton reports that budget requests for the coming year total \$39,450,620. The present operating budget is only \$31,018,637.

None of this, however, is for the county fire department which by January 1 will become a state operated service.

It is expected, Boynton said, that these budget requests will be sharply pared.

An attempt will be made to cut the county tax rate by about 10 cents, based on the recent institution of a county-wide retail sales tax.

Proposed projects for the coming year include: a new county office building, expansion of Hillcrest juvenile home, a boys' ranch, a new municipal court house for the northern district and relocation of the county department children's home.

Rollingwood To Go To State On Trust Fund

The 125 members of the Rollingwood Homeowners' Trust Fund Group, meeting in second emergency session recently voted to appeal to government officials for a new method of calculating their trust fund requirements, which would bring about an average \$10 monthly reduction in house payments of the subdivision for 1961.

Eleven members of the neighboring subdivisions of Loma Linda (Pacific), Country Club Estates (South San Francisco) and Crestmoor attended the session and agreed to set up "petition task forces" in their communities with the cooperation of Robert Kesling, 150 Birch court, new liaison secretary of the Rollingwood group.

The \$10 monthly reduction in house payments—which will be among the matters studied by State Division of Real Estate, VA and FHA officials probing the case—might effect all subdivisions.

(Continued on Page 2)

School Board Elections Draw Field Of Fourteen For April

Fourteen persons will battle it out in the April 18 election for seats on the Jefferson Union High School and Jefferson Elementary School boards.

Five of the twelve persons are incumbents; two are on the elementary school board and three now hold seats on the high school board.

Incumbents fighting to hold their trusteeships on the elementary school board are Tom Noonan, telephone company executive, and Mrs. Katherine Mullen, Daly City housewife.

Challenging the incumbents are Ronald Mangan, who is associated with Keuffel and Esser Co. of San Francisco; and Mrs. Mayre Albert, Daly City housewife. Three of the five seats of the five-man board figure in the contest.

Late filers were Sheldon Prezant, of Daly City and Donald Calvert, also of Daly City. Calvert filed for the elementary

Propositions D-E-F-I, proposed amendments to the San Mateo County Charter which will be voted upon at the April 18 election, would take several county offices away from the electorate and make them appointive.

As a result, the County Manager would then have complete control (he is appointed by the Board of Supervisors and not elected by the people).

Close examination of Proposition D dealing with the creation of offices, boards and commissions, reveals that if passed it would:

1—Eliminate the elected County Engineer and replace him by an administrative officer appointed by the County Manager. Thus, this officer would no longer be subject to the will of the people.

2—This amendment would also strip the District Attorney, an elected officer, of the bulk of his duties and authority, placing all the County legislative, judicial and executive powers in the hands of the Board of Supervisors and its appointees.

3—Finally, the amendment would unnecessarily increase the patronage of the County Manager, an official who is not under the supervision of the voters.

It is felt that appointed officials do not operate as efficiently as elected ones and that the replacement of an elected official by an appointed one is a reduction in personal liberty.

Proposition E deals with elective County officers, appointive county officers, additional county manager appointments and expiration of present terms of office.

This proposed change would take six separate offices—Coroner, County Clerk, County Engineer, Recorder, Tax Collector and the Treasurer—which traditionally have been elective—and transfer them in a block into appointive offices. Each position then would be placed under the complete control of the County Manager.

The opposition here feels that even though certain of these offices might be considered technical or partly routine, actually each of these officials comprises an important aspect of County policy and therefore, as policy makers, they should be directly responsible to the voters.

It is also noted that in changing the status from elective to appointive, the tenure of these offices would be changed from four years to life or until removed by due process of law.

Proposition F deals with the Supervisorial and County Manager appointments.

This proposition would (1) transfer the powers to appoint the Agricultural Commissioner, the County Librarian and the Sealer of Weights and Measures from the elected board of Supervisors to the appointed County Manager; (2) further in-

(Continued on Page 2)

Auto Jumps Island, Strikes New Palm Tree, Injures Two

Two men, each named Johnson, were injured, one rather seriously, late last Friday night in a Mission street accident which involved two cars, a red pickup truck and a palm tree.

Injured were Eugene Carroll Johnson, 27, of 326 El Dorado, Daly City, and Joseph Bernard Johnson, 36 Valley street, San Francisco.

Eugene Johnson suffered severe head injuries and he is presently recovering at Mary's Help Hospital.

Joseph Johnson was treated for a back injury at Junipero Serra Hospital immediately following the accident, then was released.

Officer Ralph Warren of the Daly City Police reported that when he arrived at the scene of the accident at 10:30 p.m. he found a 1952 Dodge pickup truck parked across the traffic island in front of 6925 Mission street. He said the vehicle's right side was resting against the palm tree with its front end protruding into the northbound lane of traffic. The car, he said, showed major damage on the right side and front end.

He also found a 1959 Pontiac convertible facing north directly in front of the red truck. He said its front end was partial-

ly in the middle lane with its rear end in the fast lane of the northbound lane on Mission. He stated he found Eugene Johnson lying in the northbound lane of traffic on Mission with his head pointing to where he had apparently been thrown when the accident occurred.

Officer Warren reported that apparently the truck driven by Eugene Johnson was proceeding south along Mission in the middle lane of traffic. As the truck passed Citrus street the driver presumably applied his brakes, causing the truck to skid into the fast lane of traffic up onto the traffic island where it struck a palm tree and then the car driven by Joseph Johnson, which was moving north on Mission.

A witness, Forrest Shaffer, 3544 24th street, San Francisco, reported that he was traveling north along Mission in the left hand lane. He said that suddenly a small, red truck turned abruptly to its left and cradled into the car ahead of him (Joseph Johnson's car). Shaffer said he was traveling at 25 miles per hour and estimated that Johnson's car was too.

He said the red truck crossed the dividing island between the north and south lanes.

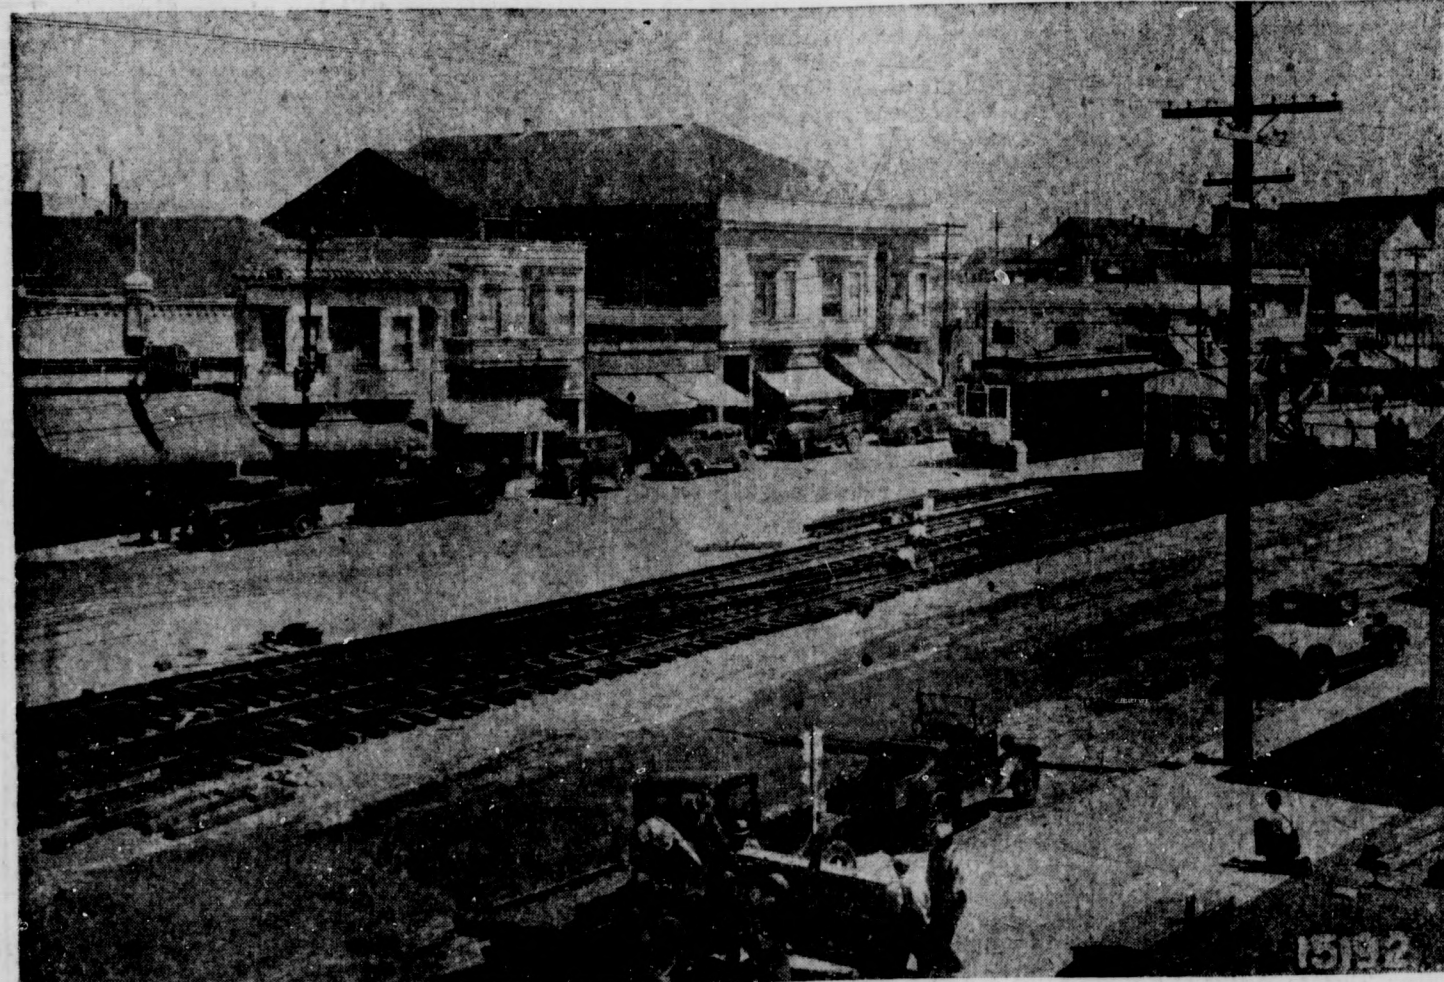

Susan Green Is Injured By Fall From Her Horse

Susan Green, 14, daughter of Paul Green, ex-mayor of Daly City, was injured severely last Friday when she fell from a horse at Palomar Stables, 2116 Skyline boulevard.

Susan suffered an injured back as well as contusions and abrasions and bruising of the head which at first was thought to be a possible concussion.

She was taken immediately to Junipero Serra Hospital for treatment and as of this morning was still resting there.

Susan apparently fell onto concrete. It was not known whether she lost her balance or was thrown.

TOP of Mission Street in 1937; buildings pictured house the same businesses today, such as the Relish Bakery, the Masonic Temple and the variety store. Do you recognize any others that are still around? In the center of the street tracks are being laid for a trolley car line. This is another in the series of "old time" pictures being run in preparation for the Daly City Centennial Celebration.

Thornton School Is Abandoned; Children Moved

There has been a big change at the old Thornton School.

Gone is the piercing ringing of the bell, telling student and teacher it is either time for class to begin, the beginning of recess or lunch or time for dismissal.

Gone is the noise and the confusion of both teacher and pupil starting a new day or a new week.

Gone are the children; the shouting of voices and the scuffling of feet are no longer. Gone, too, is the teacher.

What's happened? Simply this. The four teachers and the 127 youngsters that were the heart of Thornton School were transferred last Friday by Dist. Supt. Richard Foster to the George Washington School at Whittier and Lowell streets.

Reason for the move, according to Foster, is because of the school's low rating, and also, that the equipment there was unsuitable for use. After an extensive study by a structural engineer, Foster was informed that the building was unsafe for use as a classroom facility, and that the building was unrepairable. Thus, Foster decided on the switch.

The Washington School was originally constructed to handle 451 children. Prior to the transfer, there were only 235 children there. With the increase of 127 the total was brought to 362, with only 11 of the 13 classrooms in use, so there is no overcrowded condition at Washington because of the switch, Foster said.

The old Thornton School, built early in the twenties, is still being used, however. The district is letting three consultants convert rooms into offices; the district library is

County Charter

(Continued from Page 1)

crease the patronage of the County Manager by permitting him to appoint a Fire Warden, a Director of Parks and Recreation and a Veterans' Service Officer.

At the present time the County Manager may appoint only three officers. However, if Proposition F, in addition to Propositions D and E were to pass, the County Manager would then have the power to appoint 16 officers.

Proposition I deals with the Parks and Recreation Commission.

This amendment asks in effect that all administrative authority be removed from the Parks and Recreation Commission and that it act in an advisory capacity only to both the Manager and the Board of Supervisors.

A Director of Parks and Recreation would be appointed by the County Manager. Administrative authority would fall under the control of the County Manager, again concentrating power in the hands of one official.

Furthermore, in exchange for giving up its administrative duties, the Parks and Recreation Commission would then become eligible for compensation.

Lavaysse

(Continued from Page 1)

day morning in the Northern District Municipal Court in South San Francisco before Judge Charles Becker.

Following Lavaysse's plea of "not guilty," Judge Becker set the time of a preliminary hearing for April 6 at 2 p.m.

Lavaysse was represented by Thomas L. Bocci of South San Francisco.

there, and the instructional materials department is there, also.

County To Realize Big Savings From Fire Protection Decision

San Mateo County annually will save \$166,000, or approximately 75 per cent of funds budgeted for forest lands fire protection because of the recent Board of Supervisors decision to commit such protection to the state, according to Supervisor James V. Fitzgerald of the First District.

The board voted last week by a margin of 3 to 1 to delegate the protective authority to the state.

Supervisor Fitzgerald explained that at present 25 counties in the state already have state protection, which means that taxpayers in San Mateo County have been paying state taxes for the maintenance of this service as well as taxes to support its own county fire protection facilities.

Is Hospitalized After Collision On J. S. Blvd.

A Daly City woman was hospitalized Thursday evening following a two-car collision on Junipero Serra boulevard near the Westlake turnoff, Daly City Police report.

Mrs. Ann Clark, 45, of 300 Palmcrest, whose car was hit from behind when she attempted to make a right turn, was taken to the Junipero Serra Hospital where she was admitted for treatment of multiple contusions.

The second car was driven by Wallace Erwin Papke, 24, of 667 MacArthur boulevard in Colma.

In her report to the police, Mrs. Clark said that she was driving south on Junipero Serra at about 6:30 p.m. in the right hand traffic lane. She said that as she approached the Alameda overpass, she looked to the right and seeing that traffic was clear, she turned right and moved into the Westlake turnoff lane. At that point, she said, she was struck from behind by Papke's car.

But Papke had a quite different story to tell police. He said that he was coming off the Alameda freeway ramp and was traveling in a southerly direction in the inside lane of Junipero Serra. He said he suddenly noticed a white Ford pull over in front of him and stop. He said he applied his brakes, whereupon his car skidded into the rear of Mrs. Clark's car.

No citation was issued, police said, because of the conflicting stories of the two victims and because of bad weather conditions.

Mrs. Clark's condition is not considered serious, a hospital official said.

"The savings realized through this change will be welcomed," Fitzgerald said, "however, we have the regrettable problem of some 32 county employees whose jobs will be affected by the switchover."

"We are holding off until January 1, 1962, before we relinquish the county setup, hoping that in the meantime we can make other arrangements for these affected employees."

DC EAGLES WILL FORM GUN CLUB

The Daly City Eagles are in the process of forming a Rod and Gun Club.

The organizational meeting has been scheduled for Thursday, April 13, at the Eagles Hall, beginning at 7:30 p.m.

Members who care to fish, hunt or just generally like the great outdoors are invited to join as charter members.

Membership closes Thursday, May 4. Details of the club's plans will be explained in their entirety at the April 13 meeting.

Egg Decorating Contest Tells Valuable Prizes

Valuable prizes are in store for the boys or girls who come up with winners in the annual Westlake Merchants Easter Egg Coloring Contest.

Be it a single egg or a basketful, participants all stand a chance of winning one of the exciting \$100 worth of prizes, according to contest officials.

To enter the contest simply fill out the entry blank appearing in today's Westlake Times and take it along with your entry to the credit department downstairs at the J. C. Penney Store in the Westlake Shopping Center.

The winning eggs will be displayed in Penney's window after the contest has been judged.

Prizes will be awarded in three age groups: under five, five to nine and 10 to 13 years of age.

In addition to each winner's \$25 merchandise order, the grand prize winner will receive an additional \$25 order, and will have his mother named "Westlake Mother of the Day." His entire family will be guests of the merchants at a Mother's Day dinner at Joe's of Westlake.

Entry deadline is March 29.

Sheldon Prezant Files For Both School Boards

Sheldon M. Prezant, president of the S. M. Prezant Co. of San Francisco, a packaging company, has announced his candidacy for seats on both the Jefferson Union High School and Jefferson Elementary School boards. He is the only candidate to file for both of the boards.

Prezant lives in Westlake Knolls with his wife, Norma, and their three daughters. He has been active in many community and civic affairs. He is a member of American Institute of Management, American Red Cross, and Westlake Subdivisions Association.

Prezant served with the U.S. Air Force and attended Los Angeles City College and Los Angeles State College.

In announcing his candidacy, Prezant said, "In these trying times when the education of our youth as well as the adult population is of prime concern to all of us, we must not lose sight of these exceptionally important facts. They are keeping and attracting the finest teachers, and keeping our textbooks, labs and health activities at top level, but accomplishing all of these things by using business-like approaches and proven cost saving methods."

Rollingwood

(Continued from Page 1)

divisions having contracts with the T. J. Bettes Co.

It depends upon the present interpretation of a clause in VA and FHA deeds of trust which is being disputed by Rollingwood Homeowners.

K OF C TO HOLD DINNER SATURDAY

Saturday evening March 25, beginning at 6 p.m., Marian Council Knights of Columbus will hold a crab cioppino dinner at Our Lady of Perpetual Help School Hall, 80 Wellington avenue.

Grand Knight Charles Poetzel announced that the cost of the dinner will be \$1.75 for adults and \$1 for children under 12 years of age. This price includes all the crab cioppino you can eat and beverages.

In the past years this dinner was limited to members and friends of the council. It was decided at a recent council meeting to invite the public to attend.

Good Friday Rites Slated For Curran

Residents of Daly City, who work in downtown San Francisco will be happy to know that Good Friday services will be held for the 12th consecutive year in the Curran Theater, 445 Geary street, near Mason, at 1 p.m.

The sponsors are the "Lutheran Hour" Churches in the San Francisco Bay Area. The Reverend Ralph Moellering, pastor of the University Chapel, Berkeley, will be the speaker. His theme will be "A Day of Decision in the Light of Three Crosses."

Reverend Moellering serves as campus pastor for the Lutheran students at the University of California. He will be assisted by the Reverend John Rische, pastor of Bayview Lutheran Church, San Francisco.

Easter Sunrise Services in the El Rancho Drive-In Theater in South San Francisco, scheduled for 6:15 a.m., have also been arranged by the Lutheran Churches in this area. The speaker will be the Chaplain Frank Freese of Burlingame, Service Pastor at the Veterans Hospitals in the Bay Area.

Members of Bethel, Hope, and West Portal Lutheran Churches will be part of the Inter Church Choir that will render the music for these services.

Volunteers Asked

Persons interested in volunteering to make doll clothes and aprons to sell for the Thomas Edison School PTA's May Festival on May 5, and also to help in other ways are asked to call Mrs. Robert Woodworth, chairman, at PL 6-8897.

Proceeds will be used for a gift for the school.

OBITUARY

Joseph W. Monks

Funeral services were held Saturday at W. C. Lasswell and Co. Funeral Home for Joseph W. Monks, 92, who lived at 159 Santa Barbara avenue, Daly City.

A native of Illinois, he had lived in California for 18 years, seventeen of them in Daly City. He died Thursday.

He is survived by his wife, Ada; a daughter, Mrs. Helen Kimler of Redwood City; a brother, Thomas Monks of Chicago; grandchildren, Roger and Joanne Monks, Byron D. Kimler, Mrs. Mary Adams, and Mrs. Nelen Ford, and nine great grandchildren.

GROWING SHRUBS IN TUBS OFFERS GARDENERS UNLIMITED VARIETY

The age of outdoor living has brought its share of burnt steaks and charred chicken wings, but it's also encouraged the wonderful custom of growing shrubs in tubs. And for that we're perfectly willing to overlook a stomach ache or two. We belong to the group of gardeners who would rather grow something in a charcoal brazier than cook over it.

There's no denying that a few container-grown shrubs do wonders for the deck or terrace. They increase the intimacy of an otherwise barren setting and ease the transition from house to garden. Where no garden exists, as with an apartment deck, they create one, however small.

The container itself has much to do with the enjoyment a gardener derives from tubbing a shrub, and any member of the California Assn. of Nurserymen can show you a good selection. Once you've chosen these, your choice of shrubs to grow in them is greater than that of offered gardeners in any other part of the country.

Three Services At Vista Grande For Holy Week

Three services are scheduled during Holy Week at the Vista Grande Avenue Christian Church, Santa Barbara and Vista Grande, according to the Rev. Hillis Davidson, pastor.

A Holy Week drama based on the Negro spiritual "Were You There When They Crucified My Lord," will be presented on Wednesday evening beginning at 7:30 p.m. It will be preceded by a hymn sing.

On Thursday at 7:30 p.m. a Holy Communion Service will be held.

On Easter Sunday a single service will be held at 11 a.m. only.

MEETING SOUGHT TO DISCUSS ROAD, LIBRARY SERVICE

An attempt to set up a meeting between members of the Daly City Council and the County Board of Supervisors is being made by Supervisor James V. Fitzgerald.

Purpose of the meeting will be to further discuss the creation of a four-lane highway linking Daly City with Burlingame and to determine if the Daly City Library can successfully serve unincorporated areas such as Colma and Broadmoor. These areas are no longer served by the county facility.

These matters were discussed in general last Wednesday between council members and Fitzgerald who met with them here for lunch.

B'Nai Israel Group Purim Dinner-Dance Set For Saturday

The Sisterhood and Men's Club of Congregation B'Nai Israel are co-sponsoring a Purim dinner dance at the Brentwood Lodge banquet room and patio, South San Francisco, Saturday.

Music will be provided by Al Borelli and his combo. Special dance contests will be held and there will be awards galore. Reservations may still be made by calling Mrs. Bennett Duskin, PL 5-5530 or Mrs. Sidney Koss, WY 2-1101.

The regular March meeting of the Sisterhood will be held on Monday, March 27, at 8:15 p.m. in the social hall of the temple at 67 Los Banos avenue.

Mrs. Isaac Goldberg, program chairman, said that the program will feature Miss Ann Bernstein, a young San Franciscan who lived and worked in an Israeli Kibbutz for the past year and who is here on a brief visit. Miss Bernstein will tell about daily life in the Kibbutz, holiday celebrations with emphasis on the Passover, and will highlight her talk with picture slides.

Refreshments will be served and all members and guests are invited.

Third Graders Tour City Water Works

A tour of the Daly City Water Department helped the Jefferson Third Grade gain a better understanding of the origin of our water supply. The group and their teacher, Ann Gray, were given an excellent explanation and demonstration by Albert Perada of how the pumps get the water to the reservoirs and to our homes.

Six reservoirs were located and discussed. The entire group had an opportunity to see the inside of the largest reservoir which is located in Westlake. Superintendent Charles Ford impressed the children that they are fortunate in having a great deal of water now and for the future.

After the trip, the children returned to the classroom to finish individual reports and maps explaining our water system. Science experiments were also a part of the discussion.

We are partial to bamboos, as their graceful foliage is sharply defined by the isolation a tub affords it. Bamboos are perfectly happy in tubs and a row of them makes a nice backdrop to outdoor living.

There are other common shrubs that take on special good looks when planted in containers. One of these is the coppery New Zealand flax with its big funnel-shaped clump of sword-like leaves. Another is heavenly bamboo, which is not a bamboo at all, but resembles one in its feathery appearance.

Dwarf citrus — especially mandarins and oranges — seem highly decorative in tubs, as does hibiscus, or any of several good conifers, dwarf and otherwise.

It seems trite to say that your choice is unlimited, but in California it really is. Almost anything you grow in the ground can also be grown in tubs — including roses. It pays to experiment, and since most of your experiments will be successful, what more could you ask?

Lutherans Receive New Members Sunday

Children and adults will be received into the membership of Our Redeemer's Lutheran Church, Palm Sunday, March 26, at the 11 a.m. Worship Service.

New members will include 17 families and their children. Several adults have prepared for membership by attending the Adult Inquiry Class, a weekly study on the Christian faith. Others will be received by having their membership transferred from the former Lutheran Congregation in which they worshipped before moving into the South San Francisco area.

Brillhart

(Continued from Page 1)

Can't Sell Goods From an Empty Wagon."

On the future activities agenda for Daly City Rotarians is the District Conference to be held April 19 to 22 at the Sheraton Palace Hotel. Newly elected president Brillhart has been chosen as conference secretary.

Reddy says: Let an automatic dishwasher rescue you!

Don't be a dishwasher—buy one! A modern dishwasher is fast and efficient, keeps your hands away from hot water and harsh cleansers... saves you a lot of time and work, too. And your kitchen stays tidy all day long because "between meal" dishes are stacked in the dishwasher—not in the sink! Wouldn't an automatic dishwasher make your life easier?

San Mateo County Major Crimes Down In 1960, Sorenson Reports

A report from District Attorney Keith C. Sorenson this past week reveals that major crimes in most categories in San Mateo County during 1960, as compared to 1959, were down.

Although the violent crime figure was down, total crime in the area indicated a rise of better than 1,000 cases processed through Sorenson's office.

In 1960, 6,672 felonies and misdemeanors were processed through the office, compared to 5,550 in 1959.

Only 541 of this total were felonies; the rest were all misdemeanors which accounted for much of the increase.

Fifteen murder cases were recorded in 1960 compared with five in 1959. This was contrary to the evidence that in general felonious violence had declined.

Other comparisons between the two years were as follows: Felony drunk driving, 9 and 3; narcotics, 33 and 49; burglary, 77 and 83; robbery, 31 and 35; rape, 15 and 14; felony

assault, 10 and 35; auto theft, 11 and 20; abortion, 3 and 3; drunk driving, 1,013 and 820; contributing to the delinquency of a minor, 26 and 14.

Trials numbered 530 last year; 488 were recorded in 1959 and 488 in 1958.

Convictions were obtained in 96 per cent of all felony cases, Sorenson said. Only 24.5 per cent of those convicted were sentenced to state prison. Of that number, 31 per cent went to California Youth Authority or to county jail. The rest—43 per cent—got probation, some receiving a jail sentence as a condition.

The increase in crime was attributed to the rapid increase in county population, Sorenson said. This was the same reason for the nearly 20 per cent increase in crime in Daly City given recently by Police Chief Roland Petroschi.

Sorenson said he will request an additional deputy to assist him with the expanding work load.

Colma Man Makes Bid For HS Board

Palmiro "Pal" J. Noli president of the Westmoor High School Parent-Teachers Association, recently announced that he will be a candidate for the Board of Trustees of the Jefferson High School District.

Noli, 812 Heather road, Colma, has been a resident of the area since 1946. He is married and has three children—Robert, age 20 years; Jacqueline, age 18, and Lynnann, age 8 years.

Both Robert and Jacqueline are graduates of Westmoor High School.

Noli is employed as Safety Coordinator, Pan American Air Lines with offices at the San Francisco International Airport.

In addition to this work Noli maintains a private accounting practice. He is a graduate of Golden Gate College where he majored in accounting.

He attended Alexander Hamilton Institute of New York where he pursued a special course in business administration.

During World War II—from 1942 to 1944—he was a member of the United States Navy.

It's News To Vets

Q—What are "day centers?" I've heard that the VA is operating some of them now.

A—The centers are one of the newer developments in psychiatric care. Patients, often those who have been long hospitalized for schizophrenia, spend their time in various therapeutic activities at the centers and return home at night. The centers are located at VA outpatient clinics, and volunteers from the community play an important part in helping with the activities.

Q—What are the eligibility requirements for education or training under the Korean GI Bill?

A—At least 90 days of active service, some of what must have been between June 27, 1950, and January 31, 1955; and, discharge or separation from service under conditions other than dishonorable.

Q—I am a Korean veteran and have found an error in my service record. Can the VA straighten this out for me?

A—No. The veteran should make written application directly to the service concerned—Army, Navy, Air Force or Coast Guard.

Q—By authorization of Public Laws 382 and/or 724 the Federal government adds \$6 a month to my civil service retirement check. In a year's time this \$72 takes me over the \$2700 limit to be eligible for a VA pension. Do I have to count that particular \$6 a month as income?

A—No. The VA does not count as income that part of a pensioner's civil service retirement check which is a federal contribution for health and medical insurance.

Times Caption 10 (above) as JOHN COLEMAN, Walter Mails, and Charles Weinshank Jr. (l to r) are pictured at the recent Foster Fathers Stag Night, sponsored by JACKIE.

the foster home finding committee. Coleman, JACKIE member and also interested in PAL, devotes a great deal of time to children. He is a police officer in Daly City, Walter Mails,

speaker for the SF Giants, was the speaker for the men's get-together. Weinshank Jr., JACKIE member, with the Brush Slocum Investment brokers, urged the foster fathers

to interest other men in joining the JACKIE movement. If you wish to know more about foster care, call JACKIE, Walnut 1-0665 or write to 2015 Steiner street.

Voting Machines To Be In Use For School Race

"Voters in the April 18 consolidated school-county charter amendment election have a treat in store for the when they will use the automatic voting machines for the first time," says Mrs. Katherine Mullen, incumbent candidate for the Board of Trustees of the Jefferson Elementary School District.

San Mateo County will be the fourth county in California to install machine voting systems. Others are San Francisco, El Centro, and San Luis Obispo counties. The new machines are being stored in one of the exhibit buildings at the Fair and Fiesta grounds in San Mateo and will be delivered and made ready in time for the county-wide April election. Training of the county election department personnel in the use of the new machines is being supervised now.

Mrs. Mullen said that the voting machines will expedite the counting of the votes so that the results for the entire county will be known within a day.

She urges all voters in the school district to meet and get acquainted with all the candidates for the Boards of Trustees of the Jefferson Elementary School District and the Jefferson Union High School Districts so that they will be better able to make good selections at the polls on April 18.

Mrs. Seymour Handelman, Westlake Hadassah president, announces that while tickets can be purchased through Hadassah at regular box office prices, all sales made for the party will benefit the Hadassah organization.

Because the number of available tickets is limited, early reservations are available. For information and ticket reservations telephone Morris Karr, WYman 2-0508, or Mrs. William Wynne, WYman 2-5040.

Insurance Agent Attends Institute Jay Grant Freeman, 1024 Washington street, Colma local representative for Mutual of Omaha and United of Omaha, recently attended a management institute at the home office in Omaha, Nebraska.

Concentrated courses in all phases of agency management for both life insurance and health and accident insurance are carried on by top flight instructors and sales authorities of the two companies.

San Mateo County Easter Seal Chairman is Superior Court Judge J. A. Branson who urged all citizens of the county to send in their contribution as soon as possible.

"If you could see the wonderful work being accomplished at the Rehabilitation and Research Center in Burlingame where hundreds of handicapped children and adults are being trained to lead normal, useful lives you would not hesitate to sit down and write a check right now and send it to the Easter Seal Society, Care of the Postmaster," declared Judge Branson.

Branson's signature appeared on 122,561 sets of Easter Seals. He pointed out that there will be no door to door solicitation and that to give to the drive in any amount. Simply send your contribution in and above all, use Easter Seals on all mail to further spread word of the work that is being done by this San Mateo County organization.

HARRIS WILL HEAD PUBLICITY FOR CIVIC CELEBRATION WEEK

Progress reports were presented by various committee chairmen at the regular monthly breakfast meeting of the Civic Celebration Committee for the Daly City 50th Anniversary held Tuesday at the Westlake Bowl.

The appointment of Harris & Associates, public relations firm of Burlingame, as publicist for the event was announced by Mayor Frank Pacelli who chaired the meeting.

Pacelli said that the firm, headed by Dick Harris, was chosen from among the others who bid, because of Harris' vast knowledge of and experience in San Mateo County and Daly City over the past several years.

Harris expects to have a full campaign of publicity and public relations mapped out and under way by the time of the next meeting, Pacelli said.

One event was added to the

list of activities during the week-long celebration—a band concert from 2 to 4 p.m. on Sunday, October 8.

Most committee chairmen were able to report that progress to date is satisfactory.

Fred Martin, chairman of the Miss and Mrs. Daly City Queen contest, reported that both contests will be held simultaneously some time in May. He said he would announce the exact date later in the form of an invitation for all committee members to attend.

Because of the difficulty in setting up the hall and the complexity of the insurance problem, it was decided to abandon the boxing and wrestling matches which were to have been held on Tuesday, October 10. The decision of the committee was unanimous.

The next meeting of the group will be held on Tuesday morning, April 18.

Health, Welfare County Budget Up For '61-'62

San Mateo County's health and welfare budget for 1961-62 totals \$17,241,000—a boost of more than \$2 million more than the current total of \$15,114,000—and a 14 per cent increase.

This \$17,000,000 spending program goes into effect for the fiscal year beginning July 1. Dr. Harold D. Chope, county director of health and welfare, unveiled the new budget recently to the health and welfare advisory board.

The new budget shows almost every division of a department showing substantial increases with the Crystal Springs Rehabilitation Center receiving special priority as a full-fledged operating division.

Costing the county more this year will be the aid to needy children program, general welfare and other social services because of the economic recession, Chope said.

Other divisional budgets for the coming fiscal year with their percentage increases are: community hospital \$2,656,000, up 21 per cent; health division, \$920,000, up 7.4 per cent; tuberculosis sanitarium, \$657,000, up two per cent; institutional clinical services, \$792,000, up 11 per cent; mental health, \$1,188,000, up 33 per cent.

County Veterans Have 8 Weeks To File For Property Exemption

Veterans in this county have just eight weeks to file claims for the annual \$1,000 property tax exemption, San Mateo County Veterans' Service Officer, Floyd D. Granger has announced in cooperation with the Assessor's Office.

The filing period opened Monday, March 6 and continues through Monday, May 1. Tax exemption claims or requests must be renewed each year, at the Assessor's Office, located at the Courthouse, Redwood City, California.

The filing period was shortened last year to its present length, under terms of a law passed in 1959 by the State Legislature. Previously, veterans had until the last Monday in May to claim the exemption. Now the period is set statewide from the first Monday in March to the first Monday in May.

California grants \$1,000 property tax exemptions to resident veterans of wars or campaigns, including women

By MONA BAKER

More than 300 photographs, 140,000 words—a most impressive volume is Dr. Earl S. Herald's new book just published by Doubleday and Company titled "Living Fishes of the World." Noted host on television's award-winning program, "Science in Action" (KRON-TV, Mon. 7 p.m.), Curator of Aquatic Biology at the California Academy of Sciences' famous Steinhart Aquarium, author of many technical papers, Dr. Herald has still found time in his busy schedule to write this fascinating book.

Having a somewhat limited acquaintance with fish—actually our association has been concerned with serving them on the menu—we approached the book with some hesitation, feeling that perhaps it might prove to be too technical. However, we found that Dr. Herald has come up with a book that will capture the interest of the average reader as well as the student of ichthyology.

Delving into the teeming aquatic world he has transferred to the written page a fantastic amount of information including many little-known facts about underwater life. The exotic lifelike photographs, many in brilliant color, certainly add to the book. "Living Fishes of the World" is the sixth volume in the World of Nature series published by Doubleday Company.

Dr. Herald, who lives with his family in Westlake, has been a local resident for many years.

If you have young people in your family who can't make up their minds about what career they wish to pursue, have them watch KPIX's outstanding public service series produced in conjunction with Stanford University titled "Career" (Tues. 7:30 p.m.). Last week Westinghouse's eminent president, Donald H. McGannon, quizzed by Stanford students, gave the young people most helpful advice about a career in television. Each week an outstanding authority who has excelled in a particular career is questioned by the students.

COMING PROGRAMS: Over KTVU, on March 22 and 23, Helen Hayes will star in "The Velvet Glove" on the "Play of the Week."

Two consecutive dates for NBC's excellent "Project 20" series, "Story of Will Rogers" (March 28, 9 p.m.) with Bob Hope and "The Real West" (March 29, 7:30 p.m.) with Gary Cooper narrating Project 20 study of the old west.

Over KQED, debut of new program "The Inquiring Mind" (March 27, 9 p.m.) which explores many possibilities of self-education.

Rabbi's Adult Class Will Meet Tuesday Nights

Rabbi Robert W. Shapiro's adult education class continues for the next three consecutive Tuesday evenings on the subject of God, immortality, prayer, existence, and purpose.

The readings from "Man In Search of God" by Joshua Heschell; "Little Lower than the Angels" by Roland Gittlesohn, and some dialogue from "The Four Screen Plays by Ingmar Bergman" are used to point up various topics for discussion. The series is open to members of congregation only.

HS Summer Session Applications Out

Application forms for summer sessions are being handed out this week to students attending Jefferson, Westmoor and Terra Nova High Schools. The six-week session begins on June 21 and ends on August 11.

Applications for eighth graders who will be ninth graders in the fall, and who are interested

in attending the session's improvements and enrichment classes will not be received until the week of April 3.

Summer School Principal Robert Watt announced this week that classes will run for two hour periods; that is, from 8 a.m. to 9:50 a.m., followed by a 20-minute brunch period, with the second half of the day going from 10:10 a.m. to 12 noon. The summer sessions will be held at Westmoor High.

Watt announced that two new classes will be offered this year on a four-hour a day basis for four weeks. These are courses in civics and sociology. These two courses begin June 21 and end on July 28.

Also, something new for the coming summer session will be two new art courses. They will be of biological and scientific design, a course for those interested in science and related academic fields involving observations of natural forms of nature; and a basic drawing class, at which students may learn basic drawing skills.

Improvement courses for incoming ninth graders include work in the fields of math, English, and speed reading. The enrichment phase includes work in conversational French or Spanish, typing, and pre-algebra.

Watt said that there is no credit given toward graduation for taking either the improvements or enrichment courses. Credit will be given for all other courses, however.

Watt also said that students who plan to attend summer session are reminded that they can not have any more than a total of 12 hours, have any excessive tardiness, and must be willing to attend regularly or be dropped.

Calvert Files For Jeff Board

Donald R. Calvert, 32, has filed as a candidate for the Board of Trustees of the Jefferson Elementary School District in the April 18 election.

Dr. Calvert is clinical and research audiologist at the San Francisco Hearing and Speech Center in Mt. Zion Hospital.

The Calverts live in Westlake at 115 Skyline drive, where they have been homeowners since 1956. Dr. Calvert received his B.A. at the University of California at Berkeley in 1952, his M.S. at Washington University in 1954, and his Ph.D. at Stanford University in 1961. While at Stanford University he minored in education.

Dr. Calvert has filed as an independent candidate for the JESD Board of Trustees.

Reward Posted For Arsonists By SM Students

A \$500 reward has been posted by the Associated Students of College of San Mateo for information leading to the capture of the person or persons responsible for eleven recent attempts on the Coyote Point Campus.

The eleven-member Student Council, led by the series of fires in classroom buildings and auxiliary facilities, voted unanimously to offer the reward from student body funds.

Declared student body president Ed Wetteland, "The students have the most to lose. If a serious fire causes extensive damage to our classrooms, we are the ones who would suffer. Classes would be disrupted, and we might possibly lose a semester's work."

Continued Wetteland, "For weeks, we have been groping for something constructive. The reward means that, more than ever, 4000 pairs of eyes will be watching for the arsonist."

College President Julio L. Bortolazzo commended the council, stating, "This action by the Associated Students indicates the real concern our students have toward this serious problem. The administration and the faculty, together with the Associated Students, will take every possible measure to apprehend the person or persons deliberately setting these fires."

Immediately following the Council action, Dean of Men William Walsh issued a circular to students announcing the reward and urging increased vigilance.

Police Impersonators Solicit In SM County

Solicitors, male and female, misrepresenting themselves as being from the State Police are soliciting business in San Mateo County by phone and in person for donations to purchase placards to be used in a school crossing safety drive, according to the Better Business Bureau.

They are also soliciting advertisements for a so-called official publication which is to be published soon.

Your Better Business Bureau has been unable to interview these solicitors to determine what the plan is or who they are. It is suggested that you call the Bureau for a report if you are approached on this type of solicitation.

POLICE REPORT CRIME RATE UP BECAUSE OF POPULATION RISE

The crime rate in Daly City from July through December, 1960, increased 29.1 per cent as compared to the similar period in 1959, according to a report from the Daly City Police Department.

The comparison is based on an increase in major crimes—homicide, rape, assault, robbery, burglary and theft—the report said.

Cause of the increase is attributed to the rapid growth of the city in the past few years. To quote the police report:

"The City of Daly City now comprises an area of 4,402 square miles and total street mileage of 79.9, with the population increased to 46,000. All of these factors tend to bring increased police problems. The

PAUL A. ZIMMERMAN

other college and high school teachers of history with special interest in Eastern studies, for a six week seminar in "Indian Civilization." This course of study will be presented by Indian professors.

Since the grant includes three weeks of travel in India, he intends to visit northern India, Kashmir, and Nepal at the foot of the Himalayas.

Contributing to Zimmerman's selection for this award were such factors as his four years experience in Europe as an Information and Education coordinator for the 12th Air Force; his interest in placing more emphasis on eastern civilization in his world history courses; his educational background, and his outstanding teaching ability.

Zimmerman has been teaching world and United States history at Westmoor High School the past three years.

A breakdown of major crime in Daly City during the stated period reveals the following: Homicide: 1959, 0; 1960 1; Rape: 1959, 0; 1960, 1; Aggravated Assault: 1959 0; 1960, 5; Burglary: 1959, 95; 1960, 187; Grand Theft: 1959, 8; 1960, 27; Auto: 1959, 105; 1960, 83.

Warrants processed by the department during the period include: domestic—1,501; traffic, and 47; criminal; foreign—1,722; traffic; 36; criminal.

Formal investigated complaints total 2,768 while formal arrests were 789.

'Fantasy Daze' Opens April 27

On April 27, the parish hall of Our Lady of Mercy Church in Westlake will be transformed into a veritable fairyland, for that date marks the opening of "Fantasy Daze"—a wonderful four days of fun, frolic and festivity.

All floor booths will be gaily decorated in keeping with the overall theme: so if one should spy Jack climbing his Beanstalk, or Robin Hood drawing his bow, it's all part of merry scene!

Of particular interest to the ladies attending is the linen booth, which will be stocked with many beautiful and useful items. The women of the parish have spent many hours putting their creative touch to work on such articles as pillow cases, handsomely embroidered, or delicately crocheted hand towels. Hundreds of other items, such as brilliantly beaded and sequined bottles

containing fragrant bubble bath, make this booth a must for the ladies.

Boys of all ages will be delighted with "Toys for Boys," a new booth added this year. Well stocked, it has something to interest all age groups. Games, airplanes, sports equipment and models of all kinds are just a few of the different items on hand.

Ray Forcina, general chairman for the festival, has been working along the lines of "something for everyone," and from the impressive array of booths lined up for this year, it looks as though no one will be disappointed!

Thursday, April 27, the festival begins at 2 p.m., and will run until midnight, Sunday, April 30.

Jewish Center Will Present Easter Program

Vista Mar Class Tours SM County

Daily City and San Mateo County became more meaningful to Vista Mar third graders as the three classes of Mrs. Jane Cain, Miss Mary O'Rourke, and Mrs. Jeanette Hakes toured the immediate area.

The high point of the trip was a stop at the top of San Bruno mountain where the children were able to view and discuss the topographical features of this location in the county.

Weather conditions were such as to make the trip a most worthwhile experience. The day was clear and brisk.

This educational experience was also designed to give children an opportunity to view many of the community buildings, businesses, types of homes, and available transportation systems which are concepts studied in the unit.

HEAR ABOUT IT ON KNBC!

Dial 680

Big Rag Drive On; Urge Filled Bags

Parents, neighbors, and friends of youngsters attending the Colma School are asked to fill the bags the children have brought home with old rags and return them to the school Thursday mornings.

The Colma PTA is conducting an intensified rag drive; proceeds of which will be used for financial purposes by the PTA. The PTA is requesting you submit discarded cottons and woollens, but no silks.

Help a child you know to win the \$2.50 prize money, which will be given to the class who brings in the largest amount of filled bags. Persons are urged to attend Thursday night's PTA meeting. The winning class will be announced at that time.

TEACHERS learn about eye problems of children from Helen Delafield, Health Co-ordinator for the Jefferson Elementary School District. This class is held each year to familiarize classroom teachers new to the District with eyesight problems that may exist among their pupils. Seated, left to right, are Mrs. Ardyth Steckley, 4th grade teacher at Daniel Webster, and

Mrs. Helene Vinnick, 4th grade teacher at Thomas Edison. Teachers learn how best to control classroom lighting and ways to decrease eye fatigue. In addition, they are helped to identify children with possible visual problems, by observing specific signs and symptoms and through the use of simple vision screening procedures. Children who are thought to

have visual problems are referred to the school nurse who makes further appraisals and then contacts the parents. For children whose vision is poor and not correctable there are educational adjustments which can be made by changing a child's seating arrangement, by changing the lighting and by large-print books.

Mrs. Pulsifer Is Elected Unit President For Westmoor PTA

Mrs. Benjamin (Marge) Pulsifer, well-known PTA member, was elected unit president for 1961-62 of the Westmoor High School PTA, by unanimous vote of the Westmoor PTA membership present at the regular meeting of the organization. Unit president Palmiro J. Noll presided at the meeting held in the Little Theater, Westmoor High School.

Mrs. Pulsifer served the PTA unit as 1st vice president in charge of program for the past year.

Fred Adams was elected 1st vice president and Mr. Glenn South, principal of Westmoor, honorary vice president of the unit. Mrs. Roy Johnson was elected recording secretary; Mrs. Fred Adams, treasurer; Mrs. Everett Heick, historian; Pal Noll, auditor, and Mrs. Thomas Colanero, financial secretary.

A highlight of the evening's business session was the historian's report presented by Mrs. Jame (Nita) Buchanan, PTA historian. The report,

done in excellent verse, drew delighted chuckles from the audience as Mrs. Buchanan read the unit's accomplishments and member participants for 1960-61.

One of the best programs of the year featured student talent and the most humorous bit of the evening was entitled "Little BOP Riding Hood." James Skinner, narrator, startled an interested audience with a peppy demand for audience participation to get acquainted at the start of the show. From then on Maestro Skinner had the rapt attention of all present. Stars of the student skit included Bob Villines, Kurt Puss, Gloria Morrissey and Jeff McDaniel.

Poem To Highlight Graveside Services

"Rest, Warrior Priest," a poem by the late San Francisco and Los Angeles newspaperman, Dan Doran, will be recited at graveside services commemorating the late Reverend Peter C. Yorke, on Palm Sunday.

The poem will be delivered by Robert Curran, 13, a student at St. Ignace High School. Services, held under the auspices of the United Irish Societies, begin with an 11 a.m. Mass at St. Peter's Church, 24th and Alabama Streets, in San Francisco.

A procession from the gates of Holy Cross Cemetery, Colma, where Father Yorke is interred, commences at 1 p.m. with the reading of the poem scheduled for 1:30 p.m. Joseph McPartland is chairman of the Father Yorke Memorial.

County Democrats To Hold Dinner Meet

Members of the San Mateo County Democratic Central Committee and the County Council of Democratic Clubs will hold a joint meeting in San Mateo on Thursday.

Plans for the meeting were revealed by Daniel J. Monaco, chairman of the Central Committee, and Gordon Deegan,

Youth Programs Explained To PTA

A program on organized youth groups in the community was presented recently at a meeting of the Thomas Edison PTA, under the chairmanship of Mrs. Norman Steinberg.

Clyde Pearson, assistant scout executive of the San Francisco Boy Scout Council, described the purpose of scouting.

Mrs. Alice R. Richards, neighborhood chairman of the Westlake Girl Scouts described the work of this group for girls from age 7 and up.

Explanation of the purpose and work of the Y Indian Guides was given by Gus Scourkes, chief of the San Francisco Metropolitan Federated Longhouse.

The Camp Fire Girls was described by Claire Barriks, executive director of the Peninsula Council of Camp Fire Girls.

She explained that, like the Y Guides, the Camp Fire Girls use Indian lore and symbol in their program for girls from age 7 and on up.

At the conclusion of the meeting, officers were elected. They were: Mrs. Joseph Brandt, president; Mrs. Robert Woodworth, vice president; Harry Aronson, principal of Thomas Edison School, honorary vice president; Mrs. Ernest Draves, recording secretary; Mrs. Donald Leitch, corresponding secretary; Mrs. Edward Jose, financial secretary; Mrs. Robert O'Connor, treasurer; Rulon Scoville, auditor; Mrs. Daryl Sherman, historian.

Refreshments were provided by sixth grade mothers and served by Mrs. Mel Sparks and Mrs. Charles Bartlett.

president of the Council. The Central Committeemen will meet for dinner at the Shadow's Restaurant, 213 Second avenue, at 7 p.m. The joint meeting with representatives of the county's many Democratic clubs will begin at the restaurant at 8 p.m.

Bishop To Speak At Book Review Session Thursday

James R. Bishop will be featured speaker at this Thursday's Matinee Book Review to be held at the Westlake Bowl. The Book Review, a joint venture of the Friends of the Library and the Westlake YWCA, is scheduled from 10 a.m. until 11:30 a.m. and is open to all who are interested.

Among the books Bishop will review will be "Theology of the Old Testament," by Otto Baab, who has an interesting approach in handling present interest in historical criticism of the Bible, particularly in view of recent discoveries of "extra-Biblical" documents.

He will also review "The Liturgy and the Christian Faith," by Massey Shepherd, which is based on a series of lectures delivered in Tokyo and Hong Kong, covering the liturgical movement, the Christian year, Easter, baptism and the Eucharist.

Bishop, a graduate of the Illinois Institute of Theology, had a successful career as a professional engineer with considerable experience in research, sales and management, until he decided that a life devoted to his fellow man would be more rewarding. He is at present in Berkeley, known as the Church Divinity School of the Pacific.

Coffee will be served, courtesy of the Westlake Bowl and baby sitting service will be available.

Holy Thursday Rites Announced By Church

The Holy Communion at Our Redeemer's Lutheran Church will be celebrated on Holy Thursday, March 30, at 7:45 p.m. and also at the Good Friday service, at 7:45 p.m.

The Good Friday service will include the dramatic veiling of the cross. A special worship will be held on Good Friday morning, 10 a.m. for the children of the parish, when the "Story of Good Friday" will be narrated with flannelgraph. The children's choir will sing, directed by Mrs. Maurice Turner. The children will bring their Lenten dime-folders at this time.

Daly City Soldier Ends Special Course

Army Pvt. John P. Kelleher, Jr., 23, whose wife, Marie, lives at 115 S. Mayfair avenue, completed the subsistence storage specialist course at the Quartermaster School, Fort Lee, Va., recently.

Kelleher was trained to receive, store, issue and ship food supplies.

He entered the Army last October and completed basic training at Fort Ord, Calif. Kelleher is a 1955 graduate of Rioridan High School, San Francisco, and attended the University of San Francisco.

Square Dance Open

All adults who have never folk or square danced are invited to attend open house at the Central YMCA auditorium, 220 Golden Gate avenue, San Francisco on April 3 at 8 p.m., as guests of the Gatesingers, a member club of the San Francisco Council of Folk Dance Groups.

The evening previews a new beginners' folk and square dance class that will meet at the "Y" every Monday from 8 to 10:30 p.m. for three months. April 17 will be the last evening for enrollment.

Bethel Lutheran To Hold Services On Palm Sunday

Palm Sunday, March 26, will be observed with two services at Bethel Lutheran Church, 2525 Aelmany boulevard. The first service will be conducted at 8 a.m.

The sacred Rite of Confirmation will be observed in the second service at 10:45 a.m. The following will be received into the membership of the Lutheran Church: Raymond Anderson, Cherie Ansaldi, Walter Badertscher, Mark Brockman, Richard Isely, Carl Johnson, Raymond Johnson, John Mott, James Mour, Brent Rusert, Lynn Morse, Dona Lou Sauer, Elise Seiple, Lloyd Smith, Andrew Soravilla, Joseph Trogden, Larry Wright.

The junior choir, under the direction of Miss Gladys Schultz, will sing.

The Rev. Herbert P. Schroeder will preach on the subject: "More Than A King."

The members of the Confirmation Class will partake of the Sacrament of Holy Communion together with the congregation on Good Friday evening at 8 p.m.

Bethel Mothers Club Will Meet March 27

Regular meeting of the Mothers Club of Bethel 94, International Order of Job's Daughters, will be held on Monday, March 27, at the First United Presbyterian Church, 34th avenue and Sloat boulevard, at 8:00 p.m. in the Fireside Room. Refreshments will be served.

Frances Abbott Wins World-wide Art Award

Frances Abbott, a 14-year-old high school freshman, has been selected to receive the "Prize of the Prime Minister by the Examinatorial Committee at the First Exhibition of Art Education of the Youth and Schoolchildren of the Free World," for her painting entitled "Tenebment."

The exhibition, sponsored by the United States National Commission for UNESCO, was held in Seoul, Korea, from August 25 to September 13, 1960. Word of Frances' award was received here just coordinator for the Jefferson Elementary School District.

Frances did the painting last year when she was 13 and a student at Benjamin Franklin School.

Frances will receive a certificate of merit, a pennant, and a picture of the exhibition. The school board is having both the pennant and certificate framed. The pennant will be kept at Benjamin Franklin School and the certificate will be presented to Frances in a formal assembly program. No date for the program was set Monday night by the board of trustees.

Although the exhibition did not aim at competition, the Ko-

rean National Commission for UNESCO and the Dong-Duk Girls' Middle and High School gave commemorations to works of particularly outstanding quality within the age group specified.

There were 3,214 works from 23 nations submitted to the exhibition. From this total, 124 works received commemoration prizes, including six of the entries from the United States. Frances is one of two persons from California to be singled out from so large a representation. Her art entry was one of the final 70 from the United States selected by a review panel prior to it being sent to Korea.

Purpose of the exhibition was for an art and cultural values exchange among school children from all over the world.

Frances attends Westmoor High School. She is the daughter of Mr. and Mrs. John Abbott, 42 Skyline drive, Daly City.

Color Is Gardener's Best Guard Against Summer Doldrums Threat

Color as it comes from bedding annuals is the gardener's best weapon against the summer doldrums. When the bluish of spring is gone and the heat begins to take its toll, a bed of stocks or a bright border of marigolds is just what the doctor ordered to cheer you up.

Turn your thoughts to summer, then, and start preparing to plant. Spade the areas that are going into annuals and work steer manure well into the soil. Consult a local member of the California Association of Nurserymen and let him help you with a timetable for planting. It should be completed during the next few weeks.

When planting, pay especial attention to your color combinations. Annuals offer you a chance to create many pleasant contrasts. White stocks are dazzling in their own right, but think of them with a fore-

ground of pink snapdragons, themselves fronted by blue mounds of ageratum. There are so many possibilities.

Certain annuals seem best when planted in beds of single colors. Others, such as zinnias and verbena, which have strong colors, seem more effective when mixed. We can't imagine a bed of Zinnias all in one color being half so dazzling as the rich combination which mixed colors offer.

Don't overlook the little annuals in favor of the bigger and showier varieties. The alyssum family has added some nice new faces in recent years, including this year's All America Selection, Rosie O'Day. Lobelia is always striking with its lace-like masses of tiny blooms. And the clear blue of ageratum is unmatched in any other garden flower. Try these in massed beds or in edgings.

We caution once more against the practice, prevalent among some gardeners, to underplant annuals. Don't try to stretch a dozen plants out over an area that could take two dozen. It's much better to clump your color, if you haven't enough to mass it. Buy by the flat, and you won't have to worry about it.

New Pastor Starts Holy Week Services

Holy Week Services at the First Presbyterian Church of Pedro Valley will begin with the arrival of a new minister, Rev. Vernon P. Alexander, on Palm Sunday, Rev. Alexander has been called as permanent minister to the congregation by their vote last month.

A native of Buffalo, New York, Rev. Alexander attended Houghton College in New York. His seminary training was taken at Fuller Theological Seminary and San Francisco Theological Seminary. He was graduated from the latter in 1957. He spent one extra year at Seminary majoring in pastoral psychology, with field work and clinical experience at San Quentin Prison.

Rev. Alexander has served as supply minister to the congregations of Transit Bridge Community Church, Belmont, New York and San Mateo Presbyterian Church, San Mateo, California. He served as assistant minister to the Bolinas Presbyterian Church, Bolinas, California. During the four years immediately preceding his coming to Pedro Valley, Rev. Alexander has served as Assistant Pastor in the Concord Presbyterian Church, Concord, California.

Crayfish, also known as crawdads or freshwater shrimp, occur from San Francisco northward on the Pacific Coast.

Daly City Pioneer Talks On Early DC To Third Graders

Early days of Daly City were relived recently with a talk before two third grade classes at Westlake School by Henry Sundermann, one of the city's first pioneers.

Sundermann's talk coincided with a study by classes of Mrs. Margaret Beber and Miss Linda Johnson, on the history of this city.

Sundermann spoke at great length about John Daly, the man who founded this city, mentioning the fact he was also the city's first mayor, he emphasized to the classes that Daly City in its earlier days was referred to simply as "Daly's Hill."

He also described the devastating earthquake and great fire of San Francisco, which ironically enough was responsible for the settling of "the hill." Sundermann showed the group a large wooden plaque filled with pictures of Daly; the intersection of Mission street and San Jose avenue in 1892, which was nothing more than a dusty fork in the road; The San Mateo dairy started by Daly on "his hill"; and a picture of Sundermann when he was 26 and a public figure in the city.

Sundermann came from New York to the Daly City district

Seacliff Society Plan Discussions

A panel will serve to lead the thinking of the Seacliff Women's Society of World Service in the culmination of three months of study devoted to the subject, "Into All the World Together," on Monday evening at 8 o'clock in the parlor of Seacliff Community Church, 50 Northridge drive.

Mrs. Jeanne Robb will discuss the question, "Why Do We Go Forth?"; Mrs. Elsie Garrison, "Where Are We?"; and Mrs. Sue Beiderman, "Where Are We Going?" Following the panel the meeting will be divided into "buzz" sessions to consider specific problems.

Hostesses for the evening will be Mrs. Joyce Adams and Mrs. Helen Dillebeck. Following the discussion program, a brief business meeting will be held during which officers for the coming year will be elected. All interested women of the community are invited to attend.

In 1905, he is a former fire chief of the Daly City Volunteer Fire Department, a former deputy marshal, and for 22 years he was a city councilman (1920-1942), serving numerous times as acting mayor. He is a former member of the Daly City Library Commission.

SENIOR Citizens of Westlake look on as Mrs. Inga Lingeman, supervising public health nurse of the North County Nursing Office of the Combined Public Health Nursing Services and Visiting Nurses Assn. of San Mateo County, prepares a presentation showing of a slide film entitled, "Your Public Nurse and You," recently at the Westlake Baptist Church. The film is now available for free viewing throughout the county through the San Mateo District Health Office. — Staff photo

Survival Course At Westmoor Set April 3-24

A course to teach people how to survive in case of natural or man-made disaster will be given by the Westmoor Adult Evening School starting April 3 through 24 at 7 p.m. in Room 7.

Frank Terranova, instructor, has taken a special course given by the State Department of Education in cooperation with the federal government to prepare to teach the course.

"In Russia the people are required to take survival training," Terranova said, "and must go back each year for refresher courses. Other European countries also are way ahead of the United States in this field and our government is trying to wake us up to the need for training."

The course instructs people what to do in case of natural disaster such as earthquake, flood or fire, and man-made catastrophe such as nuclear, thermodynamic or biological warfare.

Each course will require (four three-hour sessions), on the completion of which each student will receive a kit of materials and instructions and a certificate. Because each class is limited to 25 persons, Louis J. Martin, principal of the Adult Evening School, asks people to sign up in advance so that when the first class has been filled, arrangements can be made for others.

Pre-arrangement can be made at the Jefferson District School Office by calling PL 5-1162 during the day. All adults are invited to join.

Ford Dealers Plan Big Sales Drive

This week the Ford dealers of Northern California, Southern Oregon and Western Nevada, will kick off their big spring Station Wagon Sales Drive. Merchandising and advertising plans will be coordinated between the Ford Division of the Ford Motor Company and the San Jose District Ford Dealers' Advertising Association.

The 170 Ford dealers in the Association's marketing area sold a record 13,458 Station Wagons in 1960—nearly 4,000 more than their nearest competitor.

Ira Neville, of Neville Motors, said, "the prospects are excellent again this spring for a strong Wagon market, and with our expanded line of Wagons, we expect a good sales year."

Ford pioneered "Station Wagon Living" and has been the sales leader in this field for years.

Newspapers will be the backbone of the Ford Station Wagon advertising campaign, utilizing every Ford dealer's local newspaper throughout the three state area.

Shirley Hodges Is Sorority Officer

Shirley Hodges, daughter of the Reverend and Mrs. Lynn Hodges, 141 Westmoor avenue, is among new spring semester officers of Greek letter social fraternities and sororities at Linfield College, McMinnville, Ore.

Miss Hodges is the new song leader for the Sigma Kappa Phi, a local sorority.

Daniel Webster PTA Holds Monthly Meet; New Officers Told

Daniel Webster PTA held its regular unit meeting recently in the school's multi-purpose room.

Brownie Troop No. 626 led the salute to the flag. Mrs. Del Wilson, charter president, presided over the meeting. Character thought for the month was given by Mrs. Gladys Gould, first grade teacher.

Principal H. Z. Weibel introduced the new second grade teacher, Miss Barbara Borchers to the unit.

Mrs. Val Gano presented the PTA with a coffee maker donated by Girl Scout Troops 574, 259, 571, 626 and 175. A second coffee maker was donated by the McKee Corporation. Principal, H. Z. Weibel, on behalf of the school staff and all those connected with the PTA, thanked the donors for their most useful gifts.

A standing rules committee was appointed and consists of Mrs. Ellis Ward, chairman; Mrs. William Sowl, Mrs. Raymond McIntyre, Mrs. Robert Colclough and Bob Colclough.

It was unanimously voted that the traffic boys be given a luncheon at the end of the school year.

A May Festival will be held on Friday, May 19. Mrs. Wilson also requested members save their small pie tins to be used as ash trays at future meetings.

Mrs. Ralph Munowitch presented the slate of officers recommended by the nominating committee. The officers for the ensuing year were unanimously selected and are as follows: Mrs. William Sowl, president; Mrs. Raymond McIntyre, vice president; Principal H. Z. Weibel, honorary vice president; Mrs. Earl Hall, recording secretary; Mrs. Jack Armstrong, corresponding secretary; Mrs. Robert Colclough, treasurer; Louis Peachey, auditor; and Mrs. John O'Hara, historian.

Daniel Webster School children presented the program for the evening. Mrs. Heidland's morning kindergarten class sang and entertained with a rhythm band; Miss House's second grade presented a demonstration in arithmetic; and Mr. Saron's sixth graders held a discussion on "Television and Children."

Following this enjoyable program, the fourth grade mothers served refreshments.

World Trip Slides Shown At PTA Meet

"Around The World With Mrs. Colwell," was the subject of the recent program for the Vista Grande-Thornton PTA meeting.

Mrs. Hazel Colwell, a first grade teacher at the Vista Grande School, showed slides of the trip she took around the world and told the group many interesting anecdotes. Members of the PTA wore colorful costumes that Mrs. Colwell brought with her.

New officers were elected at the meeting. They are: Mrs. Al Tiraschi, president; Mrs. Marguerite Fehl, vice president; Mrs. Robert Carlascio, corresponding secretary; Mrs. Gertrude Rush, recording secretary; Mrs. E. Kirby, financial secretary; Mrs. Marge Murray, treasurer; Tom Lewin, auditor; Mrs. D. Jensen, historian, and Mrs. T. Lewin, parliamentarian. During the evening, Mrs. A. (Eve) Liberato was presented an honorary life membership.

ROSS NAMED MERCED DIST. BOY SCOUT EXEC.

Richard N. Ross will be the new Scout Executive for Lake Merced District of San Francisco Council, according to announcement by Roland E. Dye, Scout executive.

Ross is presently serving as Richmond District Executive, and formerly was with the Mt. Diablo Council in Berkeley. He is a graduate of San Jose State College, is married and has two children.

In addition to serving as Richmond District Executive, Ross has been director of Exploring for the San Francisco Council and has given exceptional leadership to the new program for High School boys recently adopted by the Boy Scouts of America.

He is also advisor to the Eagle Scout Honor Society of the Knights of Dunamis, and has been advisor to the Committee on Jewish Relationships. In Richmond District he has been a member of the Park-Residio Lions Club and has been an active leader in community affairs.

As Lake Merced District Executive, he succeeds Jack A. Hurt who became Assistant Scout Executive of San Mateo County Council on Jan. 15 of this year.

Lake Merced District of the San Francisco Council includes 28 Cub Packs, 25 Boy Scout Troops, and six Explorer Posts in Daly City, Colma, and the southwest section of San Francisco, with a total enrollment of nearly 2000 boys and approximately 500 adults. It is the second largest district in San Francisco Council and has done much to set the pace for a forward-looking program of Scouting for boys throughout this area.

Girl Scout Group Plants Tree For Club Improvement

Girl Scouts Troop 345, under the sponsorship of the Daly City Garden Club, planted a flowering plum tree at the Parkview Neighborhood Scout Hut, 101 Parkview avenue, as a part of Arbor Day tree planting program.

Members of the Girl Scout Troops 354 and 210, led by Mrs. Wallace Hobson and Mrs. Harry Henise, have undertaken a project of improving the grounds of the Girl Scout Club House. This tree planting program was the first step in this project.

Tony Lemos, conservation chairman, and Mrs. A. Marquez, junior gardening chairman of the Daly City Garden Club, are giving guidance to the Girl Scouts in this project of ground

Mission Group Forms Committee, Meet Wednesday

A meeting of a special Mission Street Merchants study committee, which was selected at last Wednesday's open meeting called to initiate improvement of the shopping area, was held Wednesday night to discuss procedures, according to Mayor Frank Pacelli, chairman.

The committee, discussed methods, possible plans and various approaches necessary in bringing about revivification of the Mission street shopping district and its facilities.

The group is comprised of the following: Elton McGraw (McGraw Brothers Pharmacy), Frank Martorana (Aero Mission), Henry Curisus, 6767 Mission street; Vince Merlo (Vince & Fred's Liquor Store), Paul Selmi, 39 Wellington avenue; Thomas Stanghellini (Lucia Market), Raymond Charette (Daly City Blind and Shade), Robert McRobert Stewart, 8 Castlement avenue; Waldo Smith (Colma Hardware), and Fred MacDonald, 135 Vista Grande avenue.

At last Wednesday's meeting approximately 30 persons attended. The three major problems confronting the area, according to the discussion, appeared to be off-street parking, the abandonment of certain streets and the general redevelopment of certain existing property.

Bridge Co-Chairmen Named By Mrs. Kiep

Mrs. Eugene Kiep, Prefect of the Sodality of Our Lady of the Assumption of St. Thomas More Parish, has appointed Mrs. Wil Medeiros and Mrs. Louis Carrara co-chairmen of a "Telephone Bridge Party" to be the first post-Lenten activity on Friday, April 7, at 8:30 p.m.

There will also be tables of canasta or scrabble for those preferring these games.

Several tables will be in the residences of each of the following hostesses: Mesdames Donald F. McClory, A. J. Joyce, John McCue, Thomas Ravetti, Lewis S. Banks, George Dougherty, Alfred M. Palacios, H. L. Edwards, Robert Keefe, Leo A. Knipper, Louis Carrara and Wil Medeiros.

All men or women interested in attending this gala evening may secure reservations from Mrs. Wil Medeiros at JU 7-7900 or Mrs. Louis Carrara at JU 4-4704. Reservations will close on March 31.

beautification of their club house. The girls participating in the program will be awarded suitable merit badges.

RESOLUTION NO. 15951

BOARD OF SUPERVISORS, COUNTY OF SAN MATEO, STATE OF CALIFORNIA.

RESOLUTION DECLARING INTENTION TO ABANDON SEWER EASEMENT IN VICINITY OF BRISBANE

RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that:

WHEREAS, Crocker Land Company has requested that the hereinafter described sewer easement be abandoned; and

WHEREAS, it is the intention of this Board to hold a public hearing on the proposition of abandoning said sewer easement and to hear evidence offered by any party interested therein;

NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED as follows:

1. The public interest, convenience and necessity demand and it is the intention of this Board to abandon the following described sewer easement:

All that certain sewer easement entitled "Existing Sewer Easement" to be realigned within P.U.E. as said easement is indicated on Lot 2, Block A of the record map of Crocker Industrial Park, Unit No. 1 which map was filed for record on June 25, 1959 in Volume 51 of Maps of Pages 35 through 38 in the Office of the County Recorder of San Mateo County, California.

2. Tuesday, the 28th day of March, 1961, at 10:00 o'clock A.M. is hereby designated as the time when a hearing will be held at the County of Justice and Records, Redwood City, California, in the Chambers of this Board, at which time and place all evidence offered by any party interested in said proposed abandonment will be heard and considered.

3. The Clerk of this Board is directed to give notice of said hearing by having a copy of this resolution published in the Daily City Record, a newspaper of general circulation published in the County of San Mateo, for two successive weeks prior to said hearing, and to have a copy thereof posted in the sewer easement proposed to be abandoned. Affidavit of such publication and posting shall be obtained and placed on file.

Regularly passed and adopted this 7th day of March, 1961.

Ayes and in favor of said resolution:

Supervisors: JAMES V. FITZGERALD, T. LOUIS CHESSE, W. M. WERDER, ALVIN S. HATCH, E. R. McDONALD

Noes and against said resolution:

Supervisors: None

Absent Supervisors: None

E. R. McDONALD, Chairman, Board of Supervisors, County of San Mateo, State of California.

Consolidated School Bond Election and Apportionment Authorization Election Notice

Notice is hereby given to the qualified electors of BRISBANE School District of the County of SAN MATEO, State of California, that in accordance with law, a bond election and an apportionment authorization election will be held on TUESDAY, the 18th day of APRIL, 1961, in said District, between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M., during which period and between which hours the polls shall remain open, at which election there will be submitted, as Proposition No. 1, the question of issuing and selling bonds of said District to the amount of Three Hundred, Seventy-Five Thousand (\$375,000) Dollars for the purpose of raising money for the following purposes:

(a) The purchasing of school lots.

(b) The building or purchasing of school buildings.

(c) The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.

(d) The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.

(e) The supplying of school buildings and grounds with furniture, equipment or necessary apparatus of a permanent nature.

(f) The permanent improvement of the school grounds.

(g) The carrying out of the projects or purposes authorized in Section 15811 of the Education Code, to-wit, the providing of sewers and drains adequate to treat and/or dispose of sewage and drainage on or away from each school property.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

At said election there will also be submitted, as Proposition No. 2, the question of whether this Board shall be authorized to accept, expend and repay an apportionment in an amount not to exceed \$900,000.00 from the State of California under and subject to provisions of Chapter 10 of Division 14 of the Education Code of the State of California.

Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter.

The number of years the whole or any part of the bonds are to run shall not exceed 25 years from the date of the bonds or the date of any series thereof.

The bond election hereby called has been and the same is hereby consolidated with the apportionment authorization election and with the election for governing board members hereby called within the territory effected by said consolidation, said school District, and the election precinct polling place and voting booths shall be the same and only one form of ballot shall be used thereat which shall be in the form provided by the Governing Board of said District for use at said consolidated bond election and apportionment authorization election, on which shall be set forth the propositions hereby submitted to the qualified electors of said District. The election officers shall be the same for each election and said elections shall be held in all respects as if there were only one election.

For the purpose of holding said election, the District shall be and it is hereby consolidated into One (1) Election Precinct numbered 1, as hereinafter described; and the persons herein named being competent and qualified electors of said District, and of their respective Election Precinct are hereby appointed officers of election, as hereinafter designated, to serve in their respective Election Precincts, as hereinafter set forth; and said Officers of Election shall conduct said election and make returns thereof pursuant to law.

The voting precinct, polling place and election officers, duly designated and appointed are as follows:

ELECTION PRECINCT NO. 1 shall include all the area embraced in San Mateo County Election Precincts designated as Brisbane Precincts 1, 2, 3, 5, 6 and 7; and a portion of Brisbane 4; and portions of Bayshore 1 and 4.

POLLING PLACE therein shall be at BRISBANE ELEMENTARY SCHOOL.

Officers of Election for said Election Precinct:

AGNES WHITSON, Judge

ANNA MARTIN, Judge

EULAH THOMAS, Judge

GENEVA JOHNSON, Inspector

Each qualified elector of said District shall be entitled to vote only in the School District Election Precinct of which he is a resident.

The governing board of the District shall meet on the seventh day after the election at its usual meeting place at 8:00 o'clock p.m. and publicly canvass the returns.

IN WITNESS WHEREOF, we have hereunto set our hands this 14th day of February, 1961.

Samuel M. Mirza, Mayor

Allen B. Rigler, Mayor

Ellen I. Bland, Mayor

Michael G. Nagy, Mayor

Margaret M. Galten, Mayor

Members of the Governing Board of said District.

NOTICE OF TRUSTEE'S SALE

No. 41778

On Thursday, the 30th day of March, 1961, at the hour of 2:00 P.M., of said day, in the lobby of the City Hall, Daly City, County of San Mateo, State of California, BAY COUNTIES TITLE GUARANTY COMPANY, a California corporation, formerly Bay Counties Escrow Company, a California corporation, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all the following described real property, situated in the City of Daly City, County of San Mateo, State of California, and described as follows, to-wit:

PARCEL ONE: PORTION OF LOT 29 in Block 3, as designated on the map entitled "MAP OF HILLCREST SHOWING SUBDIVISION," which map was filed in the office of the Recorder of San Mateo County, State of California, on March 14, 1907 in Liber 14 of Miscellaneous Records at page 232 and copied into Liber 19 of Maps at page 18, described as follows:

BEGINNING on the north-easterly line of Santa Barbara Avenue, said line being a curve convex to the southwest of a radius of 846.28 feet, at a point distant thereon northwesterly 52.47 feet from the point of intersection of the northeasterly line of Santa Barbara Avenue and the northeasterly line of Hillcrest Drive; thence northwesterly along the northeasterly line of Santa Barbara Avenue 25 feet; thence North 36° 45' East 84.77 feet; thence South 57° 49' East 22.51 feet; thence South 35° 02' West 86.23 feet to the point of beginning.

PARCEL TWO: LOT 30 in Block 3, as designated on the map entitled "MAP OF HILLCREST SHOWING SUBDIVISION," which map was filed in the office of the Recorder of San Mateo County, State of California, on March 14, 1907 in Liber 14 of Miscellaneous Records at page 232 and copied into Liber 19 of Maps at page 18, described as follows:

BEGINNING on the north-easterly line of Santa Barbara Avenue, said line being a curve convex to the southwest of a radius of 846.28 feet, at a point distant thereon northwesterly 52.47 feet from the point of intersection of the northeasterly line of Santa Barbara Avenue and the northeasterly line of Hillcrest Drive; thence northwesterly along the northeasterly line of Santa Barbara Avenue 25 feet; thence North 35 degrees 3 minutes East 86.23 feet; thence South 57 degrees, 49 minutes East 22.46 feet; thence South 33 degrees, 22 minutes West 87.03 feet to the point of beginning.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by Young Kee, a single person, trustor, to Bay Counties Escrow Company, a California corporation, as trustee, for the benefit and security of A. L. Kreuzberger and Harry A. Butler, and undivided one-half interest each, dated April 8th, 1955, and recorded April 14, 1955, in the office of the County Recorder of the County of San Mateo, State of California, in Liber 276 of Official Records at page 536.

Dated February 28th, 1961.

NOTICE OF TIME AND PLACE OF HEARING OF APPLICATION TO CHANGE ZONING

WHEREAS, an application has been filed with the City of Daly City to amend Ordinance 294 of Daly City so as to change the zoning of the following described property from a R-1 District to a C-1 District, as such district is defined and established by Ordinance 294 of the City of Daly City, or as the same has been amended; and

WHEREAS, Sections 65,500 through 65,805 of the Government Code of the State of California establish requirements for such amendment and for public hearings thereon; and

WHEREAS, in accordance with the foregoing, the Planning Commission of the City of Daly City desires to set a time and place for a public hearing so that all interested persons may be heard.

NOW, THEREFORE, GIVEN THAT the Planning Commission of the City of Daly City has set the time and place for hearing all persons interested in or objecting to said zoning on Tuesday, the 11th day of April, 1961, at the hour of 8 o'clock p.m. of said day in the Council Chambers of the City Hall, City of Daly City, San Mateo County, California, at which time the said Planning Commission will hear any person interested in or objecting to said application and will receive any evidence appertaining to said application.

Said property is described as follows: That certain property situated in the City of Daly City, County of San Mateo, and more particularly described as:

75.5 feet on East line of Mateo Avenue, commencing at the northerly line from Market Street, Portion of Lots 53 and 54, Block 9, School House Extension Land Association.

JOHN E. SCHAEFFER, Secretary Daly City Planning Commission

Dated: March 20, 1961

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN: That the County Planning Commission of the County of San Mateo, State of California, did, by resolution thereof, adopt at a regular meeting thereof held on the 25th day of January, 1961 after following the procedure specified by law, approve a certain amendment to Part I, Division VI of the San Mateo County Ordinance Code, being the Land Use Plan Ordinance of the County of San Mateo, and did adopt the same as an amendment to the Master Plan of said county, and did recommend that the Board of Supervisors of said county adopt said proposed amendment, which amendment is as follows:

That Section 6115, Sectional District Map No. 3.2 of the County of San Mateo, State of California, be amended so as to reclassify two acres in the Jefferson School District, into the City of Daly City, west of Junipero Serra Boulevard, one parcel of 53 acres more or less, south of Old San Pedro Road, and including Lands of Papayan, McLean, Balcon, California Pacific Title Company, and Christen, as shown in Assessor's Map Book 8-8 as arbitrary portions 4, 7, 8, 9, 10 and 11 of Lot 25, and portion of Lot 31, Pierce Van Winkle, San Jacinto Tract, and the second parcel of 54 acres more or less, west of St. Francis Boulevard, and including Lands of Christen, as shown in Assessor's Map Book 1-4 as ptns. 34 & 36, fraction of Sec. 13, T3S, R6W, MDB&M on U-1 (Hog ranch), A-1 (agricultural), dist. as said amendment is shown on a map entitled, "Proposed Amended Sectional District Map No. 3.2 of the Land Use Plan Ordinance of San Mateo County," a certified copy of which map is on file in the office of the Secretary of said Planning Commission at the County Clerk, Redwood City, California.

NOTICE IS HEREBY FURTHER GIVEN: That said Board of Supervisors in regular meeting assembled on the 14th day of March, 1961 did set a certain time and place for a public hearing on said proposed amendment, at which time and place all persons interested in or objecting to said amendment may appear and be heard thereon, which time and place is as follows:

At the hour of 10:00 a.m. on the 4th day of April, 1961, in the Chambers of the Board of Supervisors in the Hall of Justice & Records, Redwood City, California.

John A. Bruning, County Clerk and Ex-officio Clerk of the Board of Supervisors of the County of San Mateo, State of California.

Grand Re-opening Celebration Now In Full Swing At Arthur's

The grand re-opening celebration at Arthur's in the Westlake shopping Center is still in full swing this week.

The "new look" at the popular men's and boys' store was unveiled last Wednesday.

Regular customers and new visitors to Arthur's can view the following innovations: new men's shoe department, a men's hat department, double the size and selections in the boys' and young men's department, and a men's clothing, sportswear and furnishings department that has been expanded by one-third.

In conjunction with the grand re-opening ceremonies, Arthur's will give away hundreds of dollars worth of top quality men's apparel and furnishings. Free tickets are available now, on request, at Arthur's and there is no obligation to make a purchase in order to receive the drawing tickets.

The prizes will be awarded next Wednesday, March 29, at 9 p.m. in the mall. The drawing will continue until all the many prizes have been awarded. Ticket-holders must be present in order to win.

Lincoln Tiny Tots Visit Zoo, Gardens

Kindergarten "B" of the Abraham Lincoln School, 65 in number, accompanied by their teacher, Mrs. Dorothy Bollen-donk, and by 12 parents visited the zoo in the Zoological Gardens in Golden Gate Park on Monday, Mar. 6.

The trip was one of the last steps in the study of animals that has been in progress for some time through the use of pictures in magazines, and the construction of animal booklets.

The parents who accompanied the class on the trip were Mrs. Clay, Mrs. Cody, Mrs. Eliacher, Mrs. Otterbeck, Mrs. Brown, Mrs. Kruger, Mrs. Dreiling, Mrs. Hampton, Mrs. Rothenberger, Mrs. Jimenez, and Mrs. Aubrey, all of Daly City.

Unsurpassed quality does not mean high prices

Despite Gray's reputation for excellence, prices are very reasonable.

GARDEN SECTION OF SF WOMEN HOLDS MEETING

The garden section of the South San Francisco Woman's Club recently held its regular monthly meeting with Mrs. Fred Curtis as hostess and Mrs. Eva Peltier as co-hostess.

Discussion at the business meeting found decisions made concerning the garden sections decorations for the coming Art and Craft Exhibit and the fashion show, "Fashion on Local Tours."

Attending were the Mesdames N. Adler, John Cotroz, Fred Curtis, James Davis, Mary Eschelbach, Elwood Freeman, James Howard, Andrew Hynding, Carmelo Imprescia, William Kasper, Frank Keri, Harry Leitner, Molly Lundberg, John Mc Manus, Ruth Mobley, Blanche Ostrander, Eva Peltier, and Emily Sheafe.

Next meeting will be on Thursday at 10 a.m. at the home of Mrs. James Davis, 783 Parkway, with Mrs. John Mc Manus as co-hostess. A film will be shown depicting wild flowers of Alaska.

'Miracle' Sermon Scheduled Friday

"The Miracle That Is Ours," will be the sermon title for Rabbi Robert W. Shapiro's talk Friday at 8:30 p.m. at the Temple House, 95 S. Mayfair avenue in Westlake. The sermon will be directed to the meaning of the Passover for the present day.

This sabbath is known as "The Great Sabbath" because it immediately precedes the Festival of Passover.

On Sunday morning, Rabbi Shapiro and Cantor Harold Wachter will conduct the Passover service for children in grades five through post-confirmation. Other Passover services will take place in the individual rooms conducted by teachers and parents. All parents are invited to the multipurpose room of the Westlake Elementary School to view the "Model Seder" that they may be instructed to conduct their own seder in the home.

Ministers Will Sponsor Two Noon Services

The Daly City Ministerial Association will sponsor two simultaneous Good Friday Noon Services this year on March 31. A one-hour service, from 12:30 to 1:30 p.m., will be held in two locations, for the convenience of worshippers.

For the convenience of Westlake merchants and citizens, a service will be held at the Westlake Community Baptist Church, corner of Southgate and Elmwood drive, with host-pastor Lynn Hodges presiding. The other service will be held at the Vista Grande Avenue Christian Church, 101 Vista Grande avenue, Daly City, with host-pastor Hillis Davidson presiding.

Each service will feature four additional Daly City ministers, who will bring short devotional messages on the famous "Seven Last Words of Christ from the Cross." The public is invited to these services.

Since it is expected that many worshippers will come directly from their place of business or work to attend, it should be emphasized that they may enter or leave the service at any time during the hour, as their schedule might dictate.

Vista Mar Teacher Conducts School Research 'Down Under'

Jean Oberlander sends greetings as an "outback" traveler in Australia. On sabbatical leave from her duties as second grade teacher at Vista Mar School, Mrs. Oberlander writes from "Down Under" about her many experiences in Australian schools.

In writing of the influence of the American educational system, she states, "It has been most gratifying to find American educational principles and practices held in high regard by most of the teachers and administrators with whom I have talked. Though, in general, the schools reflect a stronger English than American influence. Particularly noticeable is the examination system. All school children are given an examination at the end of each school year and promoted or retained upon the results of this test.

"There is also a much earlier specialization of learning. The students begin secondary education at twelve or thirteen years of age. The high schools are divided into separate academic, technical and agricultural schools. Upon entering the academic high school the students are given aptitude and achievement tests and assigned to programs accordingly. The more able students begin Latin and French in the eighth grade, first year of secondary school."

Facts About Income Tax

Question: Should I file my State personal income tax return on a regular Form 540 or the new simplified Form 540A?

Answer: State Controller Alan Cranston, Chairman of the Franchise Tax Board, says you can qualify for use of the new simplified, card-type Form 540A if:

Your gross income for 1960 was less than \$15,000, and
Your income consisted entirely of wages, dividends, and interest.

This year you may elect to itemize your deduction on Form 540A, or either take the standard deduction or use the Optional Tax Table.

Otherwise, Cranston said.

Her twelve-year-old daughter, Diana, is attending one of the academic schools described above.

"Despite the differences in curriculum organization we have found that her standing, as to grade level and achievement, are the same as in San Francisco," Mrs. Oberlander writes. "She has found it an exciting change, especially wearing a school uniform and being in an all girl class. School uniforms are prevalent for public secondary schools and in some primary schools. While Unley High School is considered coeducational, classes are segregated: boys in one class, girls in another."

Of formal instruction Mrs. Oberlander points out that "reading, writing and arithmetic is given to the children at an earlier age here than in our schools. At five years of age the children begin all day classes, from 9 to 2:30. By seven years of age, they have generally progressed further than our students in the mechanics of reading, writing and arithmetic. However, from my observations, I have found the school work of fourth and fifth grade students to be approximately at the same level as the work of our students in these subject areas."

Easter Schedule Told By Recreation Dept.

During Easter vacation, the following recreational facilities will be open on Monday, Tuesday and Wednesday, March 27, 28 and 29, from 10 a.m.-4 p.m.: Colma School, Lincoln Park, Westmoor High School Gym, Marchbanks Park and Westlake School.

All other facilities will be open from 3:30-5 p.m. On Thursday, March 30, all facilities will be open from 10 a.m.-4 p.m. Good Friday, March 31, well find all facilities open from 10-12 noon. Saturday, April 1, all facilities will be open from 10 a.m. to 4 p.m.

On Feb. 25, 1933, the USS Ranger, first aircraft carrier wholly designed and built as such, was commissioned at Norfolk, Va.

DINNER HONORS BANK MANAGER

John Ferrari, manager of Bank of America's Colma branch, was honored guest at a dinner in San Francisco recently for new members of the bank's Founders Club.

Hosted by President S. Clark Beise and other top executives of the bank, the dinner at the Fairmont Hotel marked the initiation of 21 Northern California staff members who became eligible for club membership on completing their 25th year with the bank in recent months.

Ferrari, head of the Colma office for the past 22 years, celebrated his 40th anniversary with the bank on February 20.

Diane Colthurst Is Woodrow Wilson Fellowship Winner

Diane Colthurst, daughter of Mr. and Mrs. J. E. Colthurst of Daly City, has been awarded a Woodrow Wilson Fellowship for further graduate study in history.

Miss Colthurst was graduated from San Francisco College for Women in 1958.

Honorable mention was given Miss Nancy Tafaro daughter of Mr. and Mrs. Frank J. Tafaro of Daly City. She is president of the college literary club and editor of the literary magazine.

Fellows under the Woodrow Wilson grant each receive \$1500 and the Foundation also pays tuition and fees to the college for each fellow.

Ursuline Guild Will Meet At St. John's

Ursuline Guild will meet on Wednesday, April 12, at 8 p.m., in St. John's High School auditorium, 4036 Mission street.

Mother M. Theodore, O.S.U., principal, will display and describe the outstanding reference works purchased for each high school department with funds supplied by the Ursuline Guild.

The Guild will also receive the recommendations of the nominating committee including: Mesdames Thomas Cordery, Robert Thorpe, George Carli, Ernest Robey, Mary Denson, Theodore Dolan, Frank Swall, alternates, Mrs. John LaGrave and Mrs. Irvin Faus.

Mrs. John Kowalkowski is chairman of Class Mothers 11A who will be hostesses for the meeting.

Westmoor Trackmen Lose 75-33; As Lincoln, Weather Too Much

Head-on winds, rain, and Lincoln proved too much for Westmoor's varsity track team as it went down in defeat 75-33.

Affected mostly by the rain were the sprinters and broad jumpers, who had to run and jump straight into the strong south wind.

Westmoor's defeat can best be attributed to the fact that they took only one first place out of twelve (the 888-yard relay was not run because of increasing rain.) The lone "five pointer" was taken by Pete De Garmo in the 220. Pete also took second in the 100-yd. dash to make him Westmoor's scorer of the day.

Taking seconds in their events were Jim Sershen, Ray Pinelli, and Ron Klingner in the 880, 220, and mile respectively. Ron's time was just one tenth of a second off that of the winning man.

Dennis Chase, pole vault; Mike Barich, shot put, and Bob Borba, broad jump, placed second to their Lincoln opponents in the field events.

Lincoln Mustangs also won the "B" meet with a score of

55-42. As there were no great speeds in the meet the highlight would be the three way tie for first in the high jump, and double tie in the shot put.

Undisputed first places, however, were taken by Jack Larson in the 70 yd. high hurdles, Marc Mallinger in the 330, and Bob Devaux in the discus throw.

In C's competition Frank Bellante ran a 17.2 second 150 and Mike Morrison threw the shot 41' 2" to take the only first for the Rams.

March Holidays Are Reflected In Visual Room Display

Holidays of March are evident and reflected not only in the room environment at Vista Mar, but in the attractive court display and backdrop in the multi-use room.

An original display depicting an Easter scene has been prepared by third grade students under the guidance of Mrs. Jane Cain, Mrs. Jeannette Hakes, and Miss Mary O'Rourke. These teachers have also had students arrange and construct symbols consistent with "March 17," for the backdrop, with a large caption "Happy St. Patrick's Day."

These art activities serve a two fold purpose—a discussion and association of the holidays as they have evolved, as well as assuming responsibility at the school level to keep surroundings attractive.

Research has shown that room environment is an important factor in learning. Thus, each room reflects not alone the seasonal environment, but activities related to health, science, and the social science program consistent with the grade level.

Choral Students From SF Perform At Woman's Club

Robert Sharp, director of music at South San Francisco High School, presented a group of his choral students at the recent meeting of the South San Francisco Woman's Club.

Several selections were early English folk songs including a choice from Handel's Oration. Choral arrangements were to herald the coming Easter season with program plans made by Mrs. Ruth Mobley, religion chairman of the club.

Students introduced by Mr. Sharp were Dorothy Burdette, Leonard Cooper, Judy Dhuyvetter, Bob Ellis, Gayle Groo, Jennifer Jones, Charon Keyes, Jim Morgan, Richard Panelli, Pat Sprouse, and Janet Thompson.

TERRA NOVA RACKS UP TWO WINS, ONE TIE, ONE LOSS IN EARLY PRACTICE SEASON GAMES

Before the weatherman rained them out, the Terra Nova nine managed to defeat Capuchino High on its own field 1 to 0 this past week in the fourth game of Terra Nova's practice season.

The game lasted four of the scheduled seven innings which made it a valid one by official rules.

Terra Nova's single run was scored by Bud Bresnahan who led off with a single, stole second, then scored on Don Katona's double smash. These were the only hits in the entire four innings, according to Coach Roger Miller.

Battery for Terra Nova was Bob Simmons and Katona. In four innings Katona struck out seven, suffered one "hit" batter, racked up no walks and no runs. Coach Miller reported that he looked as sharp as he has so far this year, made every pitch count and varied them effectively.

He added that the team looked good as a whole and only one error. He said it was beginning to "work as a unit for the first time." Bresnahan looked especially good on both offense and defense, he said, also Dan Gentry.

In earlier games of the practice season Terra Nova shared a 5-to-5 tie with Rioran Junior Varsity. Miller said that in this game Mike Staley (now out with a broken collar bone) "looked good in his pitching." Staley, a southpaw, in five innings, gave up no runs, one hit, struck out seven and walked one. He was relieved for the final four innings by Bill Hensley.

Terra Nova and Rioran also tied in hits with seven apiece.

Miller said Katona was outstanding at shortstop.

The team next lost 5-to-4 in six innings (called because of

darkness) to the Burlingame team. Kevin Roberts and Katona-Simmons, Roberts gave up five runs (two unearned) and five hits, struck out five and walked one. This was his first appearance, Miller said, adding that he looked good and as a sophomore revealed a fine potential.

Katona in the last three innings held Burlingame scoreless and only gave up two hits, struck out six and walked no one.

Terra Nova scored one run in the first inning, on in the third and two in the fifth. Its sudden rally in the last of the sixth inning fell short, Miller said.

Outstanding players in this game, he said, were John Cook at third base, Fred Mason at center field and John Kelly at shortstop.

Terra Nova got only three hits to Burlingame's five but

racked up only two errors to the latter's three.

In its third game Terra Nova dropped the Serra Junior varsity 3-to-1. Katona pitched all seven innings of this one, Miller said, adding that looked a bit tired at the end "but did a good job." He struck out 11, walked four, gave up three hits and the team made three errors.

For Terra Nova, Fred Mason scored on a base hit by John Cook, as did Roland Isnor who had got on base through an error. Last run was scored in the sixth by Bresnahan who came in on a fielders choice after he had been walked and had stolen second base.

Outstanding players, Miller said, were Bresnahan, Mason and Katona.

Terra Nova got five hits to Serra's three.

Bob Simmons caught and Katona pitched.

Twenty Persons Receive Awards At Dog Training Class Graduation

Some twenty persons—owners of a variety of dogs of all breeds and sizes—won ribbons and trophies at recent graduation ceremonies of the Westlake Kennel Club's obedience and conformation classes.

Graduation followed after a number of weeks of "work-outs" with master and dog, under the direction of trainer Barbara Wilson. Judges were Bill McGuire and Jim Whitehouse. Presentation of awards was made in the club house at Westlake Park.

The coveted trophies were donated by the Westlake Pet Shop, while the club donated the ribbons. Awards were given to the first four places in each class.

Participating were 12 children in the beginners class, with Bill Sawtell, 62 Hillview court, Daly City, and his German Shepherd coming first; second place went to Martha Kerr, 11 Westmont drive, Daly City, and her dachshund. Third place, Albert Reine, South San Francisco, with his wire fox terrier; fourth place, Gail Young, 114 Valley street, Daly City, with her beagle.

The 17 top adult beginners were: first place, Connie Doyle, San Francisco, with her shepherd; Barbara Lombardi, 216 Verano drive, Daly City; third place, Ben Braly, 4 Santa Elena, Daly City; fourth place, Mrs. Ugo Fratto, 903 Bradley drive, Colma, with her pomeranian.

The advanced beginners winners were: first place, Fern Pitch, with her Shetland Sheep dog; second place, Harry R. Simon, 60 Garden Grove drive, Daly City, with his miniature poodle; third place, Selma Baldacci, 23 Hillcrest drive, Daly City, with her English Springer spaniel; Lynn Bednarz, San Francisco, with a Samoyed.

Winners in the novice class were: first place, Kevin Flynn, 298 Southgate, Daly City, with a basset; Lillian Mann, 63 Mayfield, Daly City, with her

WINNERS in the beginning youngsters division of the Westlake Kennel Club's recent obedience and conformation classes graduation exercises proudly display their ribbons. The dogs seem to realize the dignity of the occasion, and except for a few hanging tongues pose regally for the

cameraman. Winners are, from left to right, Bill Sawtell, first place, who also got a trophy in addition to his ribbon; Martha Kerr, second place; Albert Reine, third place; and Gail Young, fourth place. All but Albert, who comes from South City, are Daly City youngsters.

It's SPARE TIME

at Westlake Bowl

Retired Army Colonel A. E. Rowland celebrated his seventy-third birthday by rolling a 204 game—his first over the 200 mark. Mrs. Rowland, bowling with him at the time insisted that the high game was his birthday present.

The Sunday morning Father and Son League featured a third generation member in the spotlight last week as Cal Rawson bowled a 119 triplicate.

It looks as though the entries will hit the 200 mark in the current Bowling Proprietors Association Team Handicap Tournament. This means that forty teams from Westlake will qualify for the San Francisco-Peninsula Sectional Playoffs April 15-16 here at Westlake. The Pacific Sundry team continues to hold the lead with 3250 while the AAA Bowling Supply team is in second place with 3196.

Frank Mezzanotti returned to the "King of the Hill" spot last week as he defeated Bud Tripodi 5 strikes to 3 in the Friday Jackpot Sweepers.

Doris Cunningham and Ray Logan took home the prizes in the "Roaring Twenties" night for having the most popular costumes. One hundred forty bowlers were on hand to take part in this "Social Bowling" feature which has taken the area by storm. Next week will be "Bowling Buffet" night.

The ladies of the Tuesday morning continue to solve the split conversions as Maxine Sweet turned in both the 3-10 and 3-5-7, Corine Leonetti the 5-7, Barbara Kokalis the 5-7 and Gerry Klotz the 2-4-10. Many experienced men bowlers would be proud to convert these difficult splits.

An average of fifteen ladies are on hand each Monday, Tuesday and Wednesday nights.

CONCERT ASSN. SPRING DRIVE FOR MEMBERS

At the inspiring concert by Mildred Dilling recently, members of the North Peninsula Concert Association discovered that far from being an instrument fit only for the heavenly hosts, the harp can be as versatile and exciting an instrument as any now being played. Miss Dilling displayed over a dozen valuable harps ranging from the small instruments of the ancient Egyptians to the larger harp of the French court. Throughout her remarks on the history of the harp her wit drew appreciative laughter from her enthusiastic audience.

This concert signaled the launching of the spring campaign for the 1961-62 season. During the intermission of this truly distinctive concert members were asked to renew their subscriptions for the coming year and to suggest new members. All new members will receive as a bonus, the privilege of attending the final concert of the season on April 3 presented by the noted Chinese bass baritone, Yi-Kwei Sze.

Members of the Association are entitled to attend, for only \$6.00, all concerts here and in any other city that offers reciprocity, such as Redwood City, Sunnyvale, Palo Alto, Hayward, Livermore and Richmond. The array of artists to perform in all these cities is most impressive.

Intramural Games Near End At Lincoln School

The second set of intramural league games is about to end at the Abraham Lincoln School.

Presently the Jaguars are in first place in the girls' net volleyball, and the Flintstones lead in boys' softball.

The games of the leagues are scheduled, umpired, and scored by the students under the direction of a student athletic committee. Phyllis Jacoby, a sixth grader, is the chairman of the committee. Dan March, sixth grade teacher, is the supervising teacher. Students are given opportunities to assume leadership, accept responsibilities, and solve problems through participation in the organization and management of these leagues and the teams involved. Sportsmanship and certain athletic skills are developed through participation.

The classes that have participated in the noon-hour games are the fourth grade classes of Mrs. Nan Pittman and Mrs. Kathryn Gerdes; fifth grade classes of Mrs. Nettie Herbert and Mike Penning; and the sixth grades under the direction of Mrs. Joan Williams and Dan March.

Curley's Cabinet, Allwood Door Are Moving

Curley's Cabinet Shop and the Allwood Door Co., presently located at Third and Market streets in Colma, will move to 345 Bayshore boulevard in San Francisco April 15, according to owners Moran Amundson and Frank Howell.

The two firms, which have operated in Colma for the past nine years, will move into the facilities of the now defunct Acme Manufacturing Co. for which Amundson and Howell once worked.

The new location will provide larger quarters, the partners said.

One of the largest manufacturing plants in the Colma area—it employs 18 persons—the cabinet shop provides complete mill service while the door division operates as a wholesale, pre-hung door distributor.

The partners said they expect to increase their employee roll slightly after the move.

WHAT TO DO WHEN STALLED ON HIGHWAY

If your car should happen to get stalled out on the highway at night, you're in a dangerous situation and you should always be prepared to handle such a situation.

The important thing, according to the National Automobile Club, is to make sure that both you and your car are well lighted and will be easily sighted.

For yourself, always carry in your car some article of clothing that is made of white or reflectorized material so that it will show up clearly in the lights of oncoming cars.

For your car, turn on the dome and dim lights.

It's a wise idea to carry flares or easily seen reflector signs in your car so that when the stalling occurs you can place a flare or reflector about 100 feet

Pulgas Temple, in San Mateo County, marks the western terminus of San Francisco's great Hetch Hetchy water system.

MEMBERS of Girl Scout Troops 334 and 210 of Daly City set about planting a sapling tree in honor of Arbor Day in the rear yard of their Scout headquarters at 101 Parkview
